Assure Negro Labor Equality by K.C. Firm

The employment gates of the Hugo Government Contractors, Met-calf, Hamilton of Kansas City Bridge Company, have been thrown wide open to our people and we have the assurance we will be on the same wage scale as their white employees.

take every man who is sound, in body and who is not now employed in an essential industry. We also discussed the matter of hours and wages. While we are not at liberty to disclose just what these rates are because of the rules and regulations of the War Man Power Commission, we can assure our readers that the pay is high and far above the average, with plenty of opportunities at hand to make over time.

It is necessary for all men who contemplate going into this work to call at the United States Employment Office where they will be interviewed and at which time they will be given information as to the rate of pay and the hours by the Personnel Representative of the Metcalf Hamilton Kansas City Bridge Company, who has the power to hire on the spot.

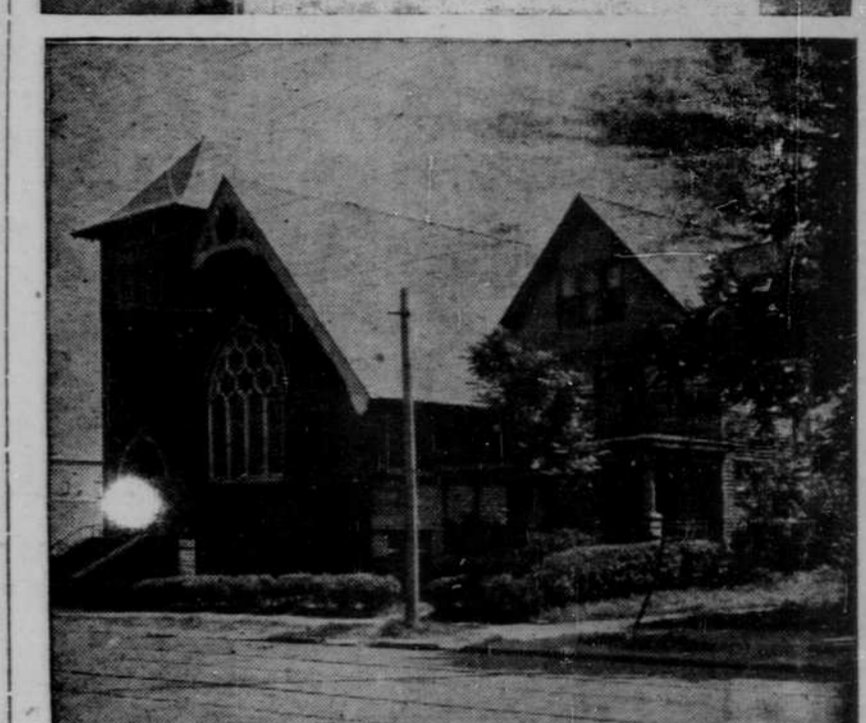

NEGROES FEEL SPECIAL KINSHIP TO RUSSIA SAYS GRANGER IN ENDORSING WAR FUND DRIVE

"Negroes in this country feel a special kinship with the brave Russian people, not only because the Russians' record of physical and emotional suffering during the centuries matches that of the American Negroes, but also because the Soviet Union has succeeded in stamping out racial prejudice from its national life."

This spoke Lester B. Granger, Executive Secretary of the National Urban League, this week when he endorsed the National War Fund's coming drive at it relates to the Russian War Relief, Inc.

The Russian War Relief, with 15 other war service and relief agencies, will share in the funds collected during the National War Fund campaign to be launched on a national scale in conjunction with united community campaigns in October and November.

Among the agencies which merged to form the National War Fund in order to conserve time and cut down overhead expenses are a number in which Negroes have a direct and vital interest and from

Repeated Rate Slashes

Since the Nebraska Power company was organized in 1917, it has consistently brought its customers improved electric service at ever lower rates. Thus better living conditions have been brought within the means of an increasing number of families.

Rate reductions made by the company in 1922, 1926, 1929, 1930, 1933, 1936 and 1939, as a result of increased efficiency of its generating plan and distribution system, and increased use of electric service by its customers, have made its electric service one of the family's greatest bargains.
