**TRY THIS FOR 5 DAYS** Here's one right and proper way to moist-en hard dry passages and obtain more gen-tie "easy" movements. Every morning for 5 days. 15 minutes before breakfast, drink a glass of hot water to which one teaspoon-ful of Kruschen Saits has been added. While you are eating breakfast the hot water and Kruschen will be feeding moisture to those hard, dry pansages. They become soft, moist, easier to expel. No need to strah and thus risk painful rectal irritation. Usu-ally within 30 minutes wastes are expelled smoothly and gently. You feel gloriously fresh again. Be sure to follow the simple easy directions. Don't delay—you can get Kruschen Saits at any drug store.
