## THRIFTY!

ONE-A-DAY

Vitamin A and D Tablets

EACH tablet contains 25% more than minimum daily requirements of these two essential vitamins. Inefficient Vitamin A may cause night blindness, may lessen resistance to infection of the nose, throat, eyes, ears and sinuses.

Vitamin D is necessary to enable the body to make use of the calcium and phosphorus in our food.

Insure your minimum requirements of these two important vitamins, by taking a ONE-A-DAY Vitamin A and D Tablet every day.

Economical—5¢ - or less - per month.

Convenient—you take only one tablet a day.

Pleasant—children actually like the taste—and so will you.

IMPORTANT—when buying vitamins, compare potencies and prices.

Get them at your drug store.

## 5 WARS

Smith Bros. has served the public since 1847. In that period America has fought five wars. Only during wartime has there ever been any shortage of Smith Bros. Cough Drops. Our production now is war-reduced but we're distributing it fairly to all. Still only 5¢. A nickel checks that tickle!

### Millinder's "Don't Cry Baby" A Decca Hit With Judy Carol

Lucky Millinder's new discovery, Judy Carol, justifies the terrific build-up she's received from the country's press the past month, by doing a sensational job on her first recording with Millinder, a Decca hit named "Don't Cry Baby", backed by "Sweet Slumber".

Released this week, Decca reports more than five thousand sold the first day! Expected totals on this new record will number more than 300,000 in the next month.

These figures are slightly sensational when you remember that "Don't Cry Baby" has sold hundreds of thousands of records by other recording artists — before Millinder had a chance to wax it.

P.S. Millinder and Carol, the new combination to watch, will play a two week engagement at the famous Savoy Ballroom in Harlem next month.

**"The Bridge of San Luis Rey" Stars Lynn Bari**

Although seductive drama is her forte and in the Ben Bogeaus—United Artists production of "The Bridge of San Luis Rey" Lynn Bari, as the Perichole, scales the stellar heights of her Hollywood career, radio has come to recognize Miss Bari as a comedienne who can exchange laugh-provoking banter with the Bob Hopes, the Abbott and Costellos and the other big Crossleyed comics.

In fact, it was Miss Bari's thunderous reception as Bob Hope's guest star recently, at an Army Air Force show, that prompted Abbott and Costello to spot her on an A&C hokefast. Miss Bari parried the quips and sallies of the comics on Thursday, December 16 over the NBC network (WEAF, N. Y., 1000 P.M., EWT) when she appeared with Abbott and Costello.

Lynn Bari has just completed her dramatic chore in Thornton Wilder's story of "The Bridge of San Luis Rey." One of the plum roles of the year, producer Bogeaus selected Miss Bari not only because of her ability to project the depth and warmth of a woman whose beauty and allure ruled the destiny of men, but more so because physically Miss Bari packs that emotional wallop so necessary to make the character of the Per-

ichole believable.

"The Bridge of San Luis Rey," emerged as a Pulitzer Prize winning novel the year it was published. From the start, Hollywood considered it the perfect story for the screen because of its plot structure, compelling theme and delineation of character.
