For it's millions who are cheering this wonderful show as it brightens all the Broadways of America!

Practically every big name on the big list of M-G-M stars is represented in the super-cast!

It's the story of love in an Army Camp with Kathryn Grayson and Gene Kelly the highly romantic pair.

They are two stars in a heavenful of brilliant names.

Mickey Rooney, Judy Garland, Red Skelton, Eleanor Powell, Ann Sothern, Lucille Ball, Virginia O'Brien, Frank Morgan, Lena Horne—to name a few of the many who appear...

To name a few more...Marsha Hunt, Marilyn Maxwell, Donna Reed, Margaret O'Brien, June Allyson, Gloria DeHaven, John Conte, Sara Haden... when... we're breathless (You will be, too.)

To go on with the big, bright list—Ben Blue, Frances Rafferty, Mary Elliott, Frank Jenks, Frank Sully, Dick Simmons, Ben Lessy, Don Loper and Maxine Barrat!

Keep on reading, we're not through yet! There are also three big name bands—Kay Kyser and Orchestra, Bob Crosby and Orchestra, Benny Carter and Band.

And—the incomparable Jose Iturbi playing his immortal piano in his first screen appearance.

DON REDMAN

THE LITTLE GIANT OF RHYTHM

HIS nickname is 'TADER, short for potato and you never see Don until you have seen first the big cigar stuck in his mouth. Don, a rabid baseball fan always sits along the first base line and never misses a Yankee game.

THE first time the stocky five-foot-two Don went on the air from Harlem's Old Connie's Inn with the famed Mills Brothers, radio engineers were faced with the problem of setting up a mike so that the tall Mills Brothers and Don could broadcast at the same time.

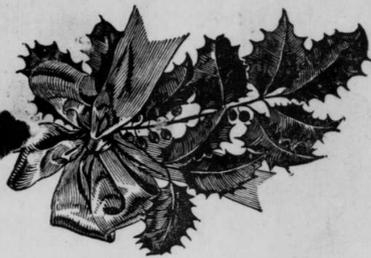

REDMAN takes pride in the fact that he is the conductor of the nation's most educated band. Every member of his musical aggregation is a college grad. Don attended Storer's College in W. Virginia, and later spent four years at the Detroit and Boston Music Conservatories.

DON CAN PLAY every instrument in the band with equal dexterity and is hailed as America's foremost music arranger. His choral and orchestra arrangements of "Stormy Weather" have become classics. Fred Waring, Tommy Dorsey and a host of other top bandleaders all have drafted Don to arrange for them, at one time or another. He will soon embark on a dance and theatre tour for GALE AGENCY.

INTRODUCING, MAESTRO LUIS RUSSELL

Dance lovers have known Luis Russell from 'way back when he appeared on the ivories with Louis Armstrong. A band all his own now, Russell is just about the hottest of the swing crop. Having signed to appear exclusively for Gale Agency, offering a new twist in jump rhythm nightly at Harlem's Savoy Ballroom where he and Cootie Williams have been packing 'em in, the composer of "Call of the Freaks," "Ghost of the Blues," "Blues for the Second Line," and a new tune "In Chicago" features Eddy Gibbs, an ace on the electro-harp, and vivacious Evelyn Majette, vocalist.—(IPS Photo)

LT. JANE ARMY NURSE RECEIVES A LETTER
Dear Jane, things are really on the up- including our used fat salvages drive. When we turn on
our used fats we get 2 (red) points for every pound. It makes a big difference to us civilians. Ever since my
doctor told me about the new medicines and how glycerine from used fats is the base for
sulpha ointments and munitions too, I've been saving mine. Sincerely, Maggie
