5 WARS

Smith Bros. has served the public since 1847. In that period America has fought five wars. Only during wartime has there ever been any shortage of Smith Bros. Cough Drops. Our production now is war-reduced but we're distributing it fairly to all. Still only 5¢. A nickel checks that tickle!

Girls! Don't deny yourself this help because of an old TABOO

Just because an outworn modesty forbade discussing such subjects, is no reason why you should drag yourself through days of cramp-like pain each month without seeing whether CARDUI may aid you.

For 62 years many girls have sought relief in CARDUI's 2-way help. Some take it as a tonic; it usually stimulates the appetite, aids digestion by increasing the flow of gastric juices; thus it helps build energy and resistance for needed days. Or you may prefer to take it, as directed, 3 days before "your time"; CARDUI then often aids in relieving functional pain. This time try CARDUI.

Likewise, the evidences of the values of organization as demonstrated in the Brotherhood of Sleeping Car Porters, an AFL affiliate, offered no suitable indication of the virtues of sound unionism.

NO NEGRO TRAITORS
(by William Henry Huff for PPA)

We have never yet produced a traitor
Let the country be reminded;
This should reach the ears of every hater
Of the race whose eyes are blinded
By the flaming headlines they are reading.
Wait until the truth is uncovered;
Those headlines deep prejudice are breeding
Poison back of them is hovered.
