

### For a Party At Home—Or At the Club

**T**HIS clever hostess knows exactly how to please her guests, even in these "ration-pinching" days. The Triple-Decker Shortcakes are made rich and flaky with low-point fortified margarine. Here is the menu:

- Shrimp and Mushroom Shortcakes with Watercress Garnish
- Fresh Strawberries with Moist Chocolate Cake Coffee

Recipe follows for the shortcake. Make your own favorite chocolate cake and make it with fortified margarine... less expensive and of delightful flavor. Try it! Here's another idea—when you serve the strawberries simply wash them. Do not remove the hulls but sprinkle berries with sugar. No cream needed.

#### SHRIMP MUSHROOM SHORTCAKE (to serve 12)

- 3 cups flour
- 1 teaspoon salt
- 5 teaspoons baking powder
- 3/4 cup fortified margarine
- 1 cup milk (or more)

Make up your shortcakes ahead of time and reheat when ready to serve. Sift together the flour, salt and baking powder. Cut in the margarine until it looks like little peas through the flour. Add milk sufficient to make a soft but not a sticky dough. Roll out to 3/4 inch thick on floured bread board. Cut 12 large rounds with biscuit cutter. Use a smaller cutter for another 12 and then a very little cutter for the third 12. Melt a little extra margarine and brush the tops of all the rounds. Then pat together in triplets, the big on the bottom, next the middle-sized one, last (and on top) goes the third tiny one. Bake in a moderate oven (350°F.) about 25 minutes, until each layer is well baked and the tops are brown.

#### Sauce

- 1 lb. shrimp
- 1 lb. mushrooms
- 1/2 cup fortified margarine
- 6 tablespoons flour
- 2 cups milk

Wash the fresh shrimp and then (without cooking) remove the shells and the little black line (this is an intestinal line) that goes down the back. Simmer 5 minutes in salted water until shrimp turns pink. Drain. Slice the mushrooms and brown in 4 tablespoons of the margarine. Remove from the frying pan and add mushrooms to the shrimp. Add the remainder of the margarine to frying pan. Melt. Add the 6 tablespoons of flour and the curry powder and salt. Mix to smooth paste. Add the 2 cups milk. Stir over low heat until sauce is creamy thick. Pour over the mushrooms and shrimp. Reheat before serving. Serve between the layers and over the top of the hot shortcakes. Garnish with watercress. Serves 12.

1 tablespoon curry powder  
1 teaspoon salt

Wash the fresh shrimp and then (without cooking) remove the shells and the little black line (this is an intestinal line) that goes down the back. Simmer 5 minutes in salted water until shrimp turns pink. Drain. Slice the mushrooms and brown in 4 tablespoons of the margarine. Remove from the frying pan and add mushrooms to the shrimp. #### HITS STIMSON

Major Ovid E. Harris, former Battalion Commander in the 184th Field Artillery Regiment, who last week re-joined the Secretary of War Henry L. Stimson's charge that many Negro units "have been unable to master the techniques of modern weapons," of which the aboxe regiment (formerly 1st 8th) was one of the units mentioned in the charge. The Major, now on the inactive list, sent his letter to the President of the United States and Mr. Stimson. Among the many things he said was that the 184th Regiment had the highest I. O. rating of any Army units known to the officers of the 5th Infantry division, and said it was both amazing and shocking to find the Secretary of War's signature placed over so gross a misstatement of facts. (PPS)

#### ELECT A BUSINESS MAN TO CARRY ON YOUR BUSINESS AS DIRECTOR OF THE UTILITIES DISTRICT

Mr. Gus H. Nelson is a Candidate on the Republican ticket for Director of the Metropolitan Utilities District. Mr. Nelson has never aspired to any public office in the past; however, we feel that he possesses the necessary qualifications for this important office due to the fact that he has operated a large business successfully for the past thirty years. As you know, the Metropolitan Utilities District is a large corporation with an investment of over \$25,000,000.00, owned and operated by the people of Omaha and as such it must elect successful business men as directors. Mr. Nelson organized the G. H. Nelson Paint Company in 1914 and has served as its President since it was incorporated. He also organized the United Mineral Products Company some ten years ago and is now serving as President of this corporation which is now shipping hundreds of carloads of its products to various sections of Nebraska and surrounding States. He has been a taxpayer and property owner for thirty years, has been successful in business, is honest and conscientious and deserves the vote of every taxpayer for this important office.

tal training, it was announced at the Hampton Institute last week end as the training there disbanded as of March 31. The young men are Pvt. Charles V. Cooper of Hempstead, L. I., New York, who will prepare for the dental profession, and Kennesaw Mannings of Chicago and Jesse Barber of Chattanooga, Tenn., who will prepare for medicine.

## The Most Popular Coffee Sells Out first

So many people ask for Butter-Nut Coffee now that it keeps us hustling to fill orders. Sometimes your grocer sells out his stock before his new order arrives. That's because Butter-Nut is so popular, and because during war time we can't get equipment to expand our capacity. It's even hard to get shipping cartons enough. If your grocer is out once in a while he will have a new shipment soon, so keep on asking for Butter-Nut and get the very best

## Butter-Nut The COFFEE DELICIOUS

## Wise Chinese!

Five thousand years ago the Chinese found a food that gave them greater strength and endurance—Soybeans. Only in the last few years have people in this country started eating the wonderful soya foods.

Most delicious of them all is Soyawheat—half selected portions of wheat and half specially processed portions of soybeans. It is not a flour, but a coarsely-ground meal. Makes a delicious breakfast cereal and when mixed into your baking it gives things a tasty, nut-like quality. Recipes on each package.

Soyawheat, the miracle food of modern nutrition, is distributed by Paxton & Gallagher Co.
