ACTIVITIES AT THE NORTH TWENTY FOURTH USO CLUB

The 24th street USO, welcomes its new director, Mr. Joseph P. Mosley, and is looking forward to many new experiences.

We appeal to all to aid us in making their brief stay here an enjoyable one.

MILLIONS HELPED BY POPPIES
"Every penny from poppies that will be sold on the streets of this city and thousands of other towns, villages and cities in the country are contributed to the welfare and rehabilitation work of the American Legion and Auxiliary." Eva Milsap, President of the Auxiliary Unit No. 30, said today, "Because this work is being done by Volunteers the money goes a long way."

"Many people have wondered what will become of the money collected by the Volunteer workers Saturday, May 27th. I wish everyone could see what help this money brings to the disabled and their families. Children left fatherless by two World wars are the special concern of the Legion and Auxiliary. Their needs are often great. Especially their human comfort both for body and mind.

"Of course the government looks after the physical welfare of the disabled men who are in hospitals in almost every state, but there are things which the government cannot provide. Such as the understanding and the personal attention that so often helps a disabled man which often helps to keep a family together when the chief breadwinner is incapacitated.
"This is what the money from the Poppy Sale helps to accomplish, and we hope that this year more and more people will buy the poppies and show their interest in and their sympathy for the men who fought for them and are now struggling to get back to the point where they can again become self-supporting."
Eva Milsap, Pres., Pearl Thomas, Reporter.
