EW! "BACTERIOSTATIC"

among women...

Many doctors urge the regular use of douches for women who want to be refreshingly clean — for women troubled by offending odor, itching

Some products may be harmful germicides which burn, harden and damage sensitive tissues. But NOT Lydia E. Pinkham's Sanative Wash! Instead—Pinkham's Sanative Wash is an effective "bacteriostatic" (a new modern trend).

It not only discourages growth of the more vulnerable bacteria but cleanses, deodorizes, relieves minor irritations and discharge. Despite its great strength—Pinkham's Sanative Wash has a beneficial effect on delicate membranes. Inexpensive!

Like all legitimate businesses, voluntary closing of all beer retailers in Nebraska on the day the war ends in Europe is assured. This industry, like all good businesses, is anxious to cooperate with any movement which is in the public interest. The purpose of this committee is to maintain good beer-selling conditions throughout the state --- educating tavern owners and checking tavern conditions --- constantly.
