EVERYBODY must have VITAMINS

Of course everybody gets SOME Vitamins. Surveys show that millions of people do not get ENOUGH.

A pleasant, convenient economical way to be sure that you and your family do not lack essential B Complex Vitamins is to take ONE-A-DAY brand Vitamin B Complex tablets.

An insufficient supply of B Complex Vitamins causes indigestion, constipation, nervousness, sleeplessness, crankiness, lack of appetite. There are other causes for these conditions, but why not guard against this one cause by taking a ONE-A-DAY brand Vitamin B Complex Tablet every day?
