What about this youngster?

Whatever else the post-war world brings, we want our children to have at least as many opportunities as we have.

That's what his older brother is fighting for now: to guarantee that the American system of free initiative -the chance to go as far as his ability will permitshall be preserved.

If this young fellow is going to make his mark in business, we'd better preserve our American way of business! American business-private business management -will help him reach his goal!
