ELK NEWS

IRROQUOIS LODGE NO. 92

Ralph Baes Marching Club No. 367, Girls Marching Club, Elks' Drill Team and Purple Cross Nurses Unit entertained Major General H. J. Pollard of Chicago, Illinois when he visited this city. He made a fine speech at the banquet which was given in his honor and attended by one hundred members of the various units. The Major General praised the units for their fine appearance in Chicago at the Grand Lodge Convention and for their appearance at the banquet. All members were dressed in their uniforms designating their various units and presented a splendid and spectacular scene.

Assignment of officers of the Antlered Guard made and presented by Major General B. J. Pollard of all marching clubs, drill patrols, Purple Cross Nurses of Omaha Area: Colonel James A. Richardson, Adjutant, Commander of Nebraska Brigade; Colonel Emery Hickman, Chief of Staff of the Brigade; Major Opal McAllister, Assistant to the Adjutant of the Brigade; Major E. N. Starks, Planning and Training Officer of the Brigade; Captain Clarence Sorrell, Chaplain of the Brigade; Captain Roy Williams, Assistant to Adjutant of the Brigade; Captain Jack Hall, Assistant to the Planning and Training Officer of the Brigade; Dr. D. W. Gooden, Assistant and Grand Medical Director, Physician of Brigade.

Brother V. S. Wheatley, Chairman for the February-March Birthday Party, is making plans for an elaborate affair to be attended by all members and friends on March 29 at 8:00 pm. at the Elks' Hall. These affairs are held each month. Let everyone be present for a grand time!

The Elks Chorus, composed of 30 voices is pleased to inform the public that they have planned a series of fine programs for this year. The group is certain that the public will give them a fine reception when they embark upon their career. The chorus is conducted by Mr. H. L. Preston.

Emery Hickman, President, Angeline Cottrell, Secretary.

There seems to be considerable activity in all the units of this fine body of Elks. Many groups are strengthening their membership by enrolling new members. Every Saturday evening these units have fun for all in the auditorium of their Hall. Everybody is invited.

Major General B. J. Pollard, while in Omaha, informed the Lodges of Nebraska and Iowa that he has appointed Brigadier General Amos Thomas in Command of Iowa. He stated that he is certain that Brigadier General Amos Thomas will build new units and marching clubs in Iowa as he has done in Nebraska. The Brigadier General plans a tour of the Lodges of Iowa in the near future. He hopes to be able to report to the Grand Lodge Convention to be held in Philadelphia in August, that he has laid the foundation for many additional units of marching clubs.

ARTILLERY COMBAT
"Instead of falling in the assignments given it the 25th Combat Team of the 93rd Division, roughly one-third of the division, which was the only part given combat duties, performed in such creditable fashion as to elicit high praise from officers and enlisted personnel of the American and 37th Divisions. This was particularly true of the 93rd's artillery. Brigadier General W. C. Dunkel, commanding the American artillery at Bougainville, in a written and official commendation, declared of the 593rd Artillery Battalion of the 93rd Division: "Your occupation and construction of position areas has been efficiently accomplished, and initial results of your registrations and fire on Japanese troop movements have been very successful. My observers report that your adjustments have been very accurate, a fact that implies that your personnel has been well trained in the technique of the arm and can apply that training in its first combat service." My only regret is that you did not join us

earlier in the Battle of Bougainville. I know that in the future, all officers and men of this unit will welcome, gladly, the opportunity to serve with the 593rd."
"The 2nd Battalion of the 25th Combat Team of the 93rd was assigned to take three days after arrival in Bougainville a strongly fortified Japanese position of five concrete pill boxes, and promptness with such efficiency and promptness as to cause Brigadier General Leonard R. Boyd to declare that the 2nd Battalion's accomplishment was commendable even for a veteran outfit, outstanding for a unit in its first action."
The only incident revealed in the Army record which could possibly come under the heading of criticism is the fact brought out in Mr. White's report on the disorganization which followed a directive given by a white company commander who ordered his three Negro lieutenants to "deploy their men around the inside of the horseshoe." When the officer assigned to the furthermost point with fifteen men found themselves outnumbered and surrounded he asked instructions by radio of his company commander and was told to dig in and remain there. "The officer," says White, "Lieutenant Oscar T. Davenport of St. Louis, Mo., and eleven of his fifteen men were killed. Disorganization followed as the company commander led the retreat to the command post in the rear."

NEW COMMANDER
A better day for the 93rd is forecast in the appointment of Major General Harry H. Johnson, new commanding general responsible for the unit's combat efficiency. "He is doing everything possible," stated Mr. White, "to stop the practice of assignment to the 93rd of white officers who are prejudiced against Negroes or who failed in other divisions. He opposed promotion of such men over competent officers already in the division, especially colored officers."
"The 93rd is General Johnson's second Negro command. He trained and led overseas the 2nd Cavalry Division early in 1944."
