Tomorrow's World..Club

BY DOROTHY WATSON Last week you became acquainted with We of "Tomorrow's World" This week we become closer related to you.

We met last Thursday, May 10, at the Urban League. The meeting was grand. Our enrollment of boys and girls is growing each week. The new members that joined last Thursday were: Gilda Thomas, Imogene Perry, Betty Stewart, Mary Carter and Harold Johnson.

The project the Club is working on now is trying to obtain a suitable building so that we could raise enough money to properly furnish it with the facilities for a gym for the younger boys today. For at a previous meeting, Donald Davis, a member gave us a talk, that every parent of Omaha should have heard. The title was "No Place to Play."

A copy of that speech will soon be put under our column.

A stage show will be given by the Club June 7, 1945 at the Urban League to secure money for the furnishing of this gym. We need the public's help in the task we are about to undertake for only with your help can we be successful.

The Negro today is faced with a serious problem. Will the Coming Peace include him?—and are our boys and girls fighting in vain? Today there are 750,000 Negro men and women in the armed forces. Our hearts are grieved every time we see a Colored boy or girl in the uniform of a country that doesn't appreciate them.

And how our hearts bleed when we read letters from Negro boys in southern camps and talk to Negro soldiers of the abused treatment they are receiving daily. We of "Tomorrow's World" know we must achieve a successful victory so our boys won't have to come back to the same America they left. Recently a letter was received by me from a boy stationed in Camp Polk. La. A little of the letter follows: "As I write this letter to you, I'm scared for this place is Hell."

Mr. and Mrs. Stewart, 605 South 25th street, have a nice little quiet home with one son. I never in all my life noticed such a nice, quiet home. Everyone seems to be hap-

C. C. B.—I'm 17 and am thrown into contact with a boy 21. He's the type who likes the intellectual things of life and it is quite hard to really him. He's away at college and when he's home he always comes to see me. Up until last fall I would just as soon be over there than here. I sometimes want to go AWOL. I hope I will get used to this...I'm worried so I can hardly write. If only I could get a husband, I might feel a little better.

That is just one of the many letters we receive and through the help of God we will achieve a victory. For right always did and will overcome wrong. We of "Tomorrow's World" are looking for advice, so if you have any to give us, phone AT-0596 and ask for the President, Dorothy Watson. The public is welcome to our meetings every Thursday evening at the Urban League at 8:00 o'clock pm.

To the boys and girls of today, will you consider being one of us. Join our Club so that our children won't have to face a world of fear. The poem which follows was written by the niece of Rev. F. C. Williams. The name is...

"DRIVE ON, BLACK BOY" I know the odds are against you. Your struggle will be long and hard. But drive on, Blackboy, you'll make it. If your trust is in the Lord...

You'll meet many oppositions; To retard you in your way. But just keep on driving, boy—You'll reach your goal some day.

It won't be a downhill journey. There will be many mountains to climb. And you may have to cross the ocean. But drive on and take your time.

Yes, you may have to rest for a while. When the knocks seem too hard to bear. But don't get discouraged, don't give up—Remember that Jesus is there!

When trouble is pressing against you, And you can't tell the night from day. Just keep on driving black boy. Because Jesus is there to stay.

They may have their foot on you And there're trying to keep you down— But if you have Jesus as your guide, No one can turn you down.

I know the roads rock and rough But there's a smooth road just ahead— And if you are striving to reach your goal— Don't look for a flowery bed.

Yes, Drive on Black Boy keep driving— You'll benefit from your toil. Drive over the stony and thorny ground, and land on fertile soil.

Drive on Black Boy—Drive on! Against Injustice, Prejudices and strife. Against Obstacles and Great disappointments. You're driving toward a much better life. Next week you will read more of "Tomorrow's World."
