God's house. Service Sunday was well attended. Our pastor preached a wonderful sermon morning and night. Subject Sunday morning: "Make Believe," found in 8 Chap. Acts. I wish all of Omaha could have heard this sermon which is good for old and young, rich and poor, because God doesn't have respect to person. Some of the interesting thoughts were how wives pretend to love husbands when they hate and how husbands pretend to love their wives and no they don't. The same way with preachers, teachers and races of people. Sunday evening subject was: "Joy." Much food for the Christian family. We are having a chicken dinner Saturday, August 4th, at 2734 Blondo St. on the lawn. Other refreshments will be served. You and your friends are welcome, starting around 5:30 or 6 p. m.

Ora Robinson, reporter.

Comfort Wounded

One of the duties of the air transport command chaplains is meeting the many hospital planes that fly from the battlefronts to hospitals and rest camps back in the United States. In all kinds of weather and at all hours of the day and night, the ATC chaplain is on hand with the spiritual needs of the wounded men and wish them Godspeed to the next stop on their journey homeward.

Plastic Production

In 1930, the industry produced about 37,500,000 pounds of plastics valued at about \$75,000,000, or \$2 a pound. In 1940, the industry had been multiplied by 8, with an output of 300,000,000 pounds averaging about \$2 a pound in value. Estimated production in 1944 indicates a doubling since 1940 with an output of about 700,000,000 pounds valued at \$1,800,000,000 or about \$2.50 a pound.
