Why is a worm like a hole in a sack?

That's easy. Both the worm and the hole waste chicken feed.

Name a good worm remedy. That's easy, too—Nicozine. Here's a product that destroys two species of poultry worms. These are the large roundworm and the cecal worm. Nicozine, furthermore, is a flock treatment. It is given along with a little feed to the flock—they eat the mixture. Treat your flock now with Nicozine.

Mr. A. R. Goodlett who is on his vacation, in order that members could report on the progress of the birth-dated calendar.

Mr. Howell introduced, before the business St. John's AME's new pastor for the 1945-46 Conference Year who comes to us well qualified and able to serve the spiritual needs of St. John's AME Church from Sacramento, California in the person of the Reverend Mr. Childers who is accompanied by his lovely wife Mrs. Childers. The Reverend Mr. Childers graciously consented to lead the group in the opening prayer, and later he commended the club on its program and work its members are contributing to the help building of St. John's. After these brief remarks from the Reverend Mr. Childers, we listened to the reports from the advertisement committee. Individual members reported upon the satisfactory progress that was being made in securing names to be placed under the different dates of our calendar. The meeting was adjourned with the announcement of the next meeting at the home of Mr. Burrell on Sunday, October 14th, 1945 at 2006 Maple St., at 4:30 pm.

MEMO CLUB

The gala Fall opening of the Memo Club was a colossal success on last Sunday afternoon in the beautiful home of Mr. and Mrs. Kenneth Moore, 2524 Blondo. The opening event took the form of a very swanky cocktail party. The unique favors of book matches, coasters and cocktail napkins, all bearing the Club name, in the club colors of red and white, were most outstanding and very beautiful. Everyone who attended will retain them for their scrap book. The colors were carried out to the minutest detail, even as the guest registered on white paper with red pencil.

The ever alert members were ready to answer every beck and call in order to see that their guests had a delightful evening. It was one of the nicest and most delightful, unique affairs that Omahans have enjoyed recently. The Memo-Club will be doing other things. Watch for them.

The Club enjoyed a very tasty lunch at Mrs. Holliday's and a vote of thanks was given to the hostess. We will return on October 11 at the home of Mrs. Day Hogan on 27th and Harrison St.

The Civic Club enjoyed a pleasant evening at the Community Fair given at the Urban League. The Chairman of the Art Dept. Mrs. Luella Blackston had the pleasure of seeing her crocheted apron in the World Herald and the Omaha Guide. Mrs. Lydia Alston won first and second prize on quilts. We had a very pleasant session in the canning class held at Woodson Center. CITY BTU MEET

The Omaha City BTU meet at the Zion Baptist Church on last Sunday was counted as a huge success.

Special feature program was supervised by Mrs. M. L. Dixon of Pilyrim Baptist Church. This feature was titled "Hymnology" at which time she presented three very old and favorite hymns, "What A Friend We have in Jesus" "Almost Persuaded" and "Abide with Me" these numbers were sung by Mrs. Elma Ware, Miss Thomasalet Spence and the congregation.

The meeting in its entirety was quite inspiring and the Zion Baptist Church with its pastor and official board are very grateful to the Salem Baptist church for allowing them to have both the attendance banner as well as the financial banner, which they have pledged to keep.

The dramatic club of which Mrs. Jewell Ware is instructor, was introduced and this club will present in the very near future a one act drama at Zion Baptist church.

Watch the Guide for this announcement. The next city meet will be held at Pilgrim Baptist Church in December. Howard T. Swain, President.

How women and girls may get wanted relief from functional periodic pain
Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:
1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you will be glad you did.
