President Harry S. Truman sees 1946 March of Dimes, January 14-31, as "a fitting tribute" to his predecessor, Franklin D. Roosevelt.

Negroes Active in "March of Dimes" 1946 Campaign

New York, Jan. 5-Active participation of Negroes is already indicated as the 1946 March of Dimes, nation-wide appeal of the National Foundation for Infantile Paralysis, gets under way. The campaign will be opened officially on Monday, January 14, by Foundation President Basil O-Connor. Dedicated to the memory of Franklin Delano Roosevelt, great war president who founded the National Foundation, the eighteen day March of Dimes will continue through January 31. Spearheaded enthusiastically by National Chapters in nearly all of the 3,070 counties of the nation, the annual fund raising appeal is supported by men women and children of all races and faiths.

This will be the 13th yearly appeal for funds in the war against Tokyo, Japan, infantile paralysis. Negroes in mapor cities are volunteering their services in this intensive and necessary campaign for funds in the war against Tokyo, Japan, (Soundphoto) — The widow of Prince Fumimaro Konoye took his life on the eve of his imprisonment as a War crimes Suspect. Ormanifactions with which they are actively affiliated have endorsed the National Foundation and its determination that polio shall be conquered. They will address their contributions to their home town chapters.

New York City and Chicago are setting the pace for the March of Dimes at noon-day rallies on January 14. Here at City Hall, Mayor O'Dwyer, City Councilman Jos-eph T Sharkey and Russel Maguire, chairman of the Greater New York Chapter of the National Foundation, will participate in special March of Dimes ceremonies. In Chicago, Mayor Kelly and Mr. O' Connor will be on hand for the opening March of Dimes rally at Madison and State Streets

The first Mile O' Dimes stand in this city's Harlem will be officially inaugurated at a noon-day rally on Tuesday, January 15th, in front of the Opollo Theatre on W 125th Street, it was announced by Charles H. Bynum, director of interracial Activities for the Natterracial Activities for the National Foundation. The project will be directed by an interracial committee of which Edward T. HOUSING

New York-The announcement of Governor Dewey that there will be no discrimination on the basis or race, color or religion in the emergency housing program for veterans drew congratulations from the NAACP last week, together with a request that the state and city authorities give the closest scrutiny to the policy to be carried out by a private management company.
While positive in his statement

on no discrimination, Governor Dewey declared that details will be be up to the management, referring to the fact that the admini stration of veterans housing units will be in the hands of a private management company selected by the City, subject to the approval of the State.

It is imperative, the NAACP letter said, that approval by you of the management selected by the City shall be conditioned upon a guarantee by the company selected that it will not discriminate because of race, color, or creed in the admission of veterans or any other citizens to any of the housing units under its management. Such a guarantee must be abso-

you an immediate implementation of that policy along the lines sug-gested in this letter.

A similar letter was sent to Ma vor-Elect William O'Dwyer, stating it is now clearly up to your administration to fix as a condition of the employment of the private management company charged with the administration of the housing project a guarantee from that company that it will not discriminate in any way in the admission of veterans or any other citizens to any of the housing un-
