Mrs. Bethune Appeals for Victory Clothing

New York, Jan. 19—Mrs. Mary MeLeod Bethune, President of the National Council of Negro Women, has appealed for generous do-nations of clothing, shoes and bed ding for overseas relief. Her word was made public by Henry J. Kaiser, national chairman of the Victory Clothing Collection, now in progress throughout the nation. Mrs. Bethune stated, 'Our National Council went on record at its workshop meeting to have wo-men in all of the local communi-ties participate in this clothing collection. At every meeting that I attend, I urge the women to get behind this drive. We realize how important it is to do all we can to express a real spirit of brother hood and good will to the peoples of bombed-out lands. We feel it is our opportunity to relieve some of the distress that the ravages of war brought to so many children and men and women in Europe, China, and the Philippines.'

The national goal of the collection is 100,000 serviceable used garments, in addition to shoes and bedding Mr. Kaiser stressed the Read The Greater need for sturdy work clothes in all lands that are struggling to OMAHA GUIDE
