A PEOPLE AT WORSHIP

LESSON TEXT Exodus 23:1, 35:4-9, 20:29
GOLDEN TEXT—Thou shalt worship the Lord thy God, and Him only shalt thou serve.—Matthew 4:10.

A nation which knows God must have a place and a plan for worshipping Him. The history of Israel has moved forward in the account in Exodus where the people delivered from bondage are established as a theocratic nation; that is, one governed by God.

The covenant at Sinai (ch. 19) was followed by the giving of the law (chs. 20-23), and then in chapters 24-40 we find the worship of God established. Two elements are necessary—a way in which God may be approached and a place to meet Him. The former is provided in the ordinance of the Aaronic priesthood, and the latter by the building of the Tabernacle.

I. God Provides a Way to Worship (23:1).
The appointment of Aaron as high priest, and his sons to serve with him, provided for the proper conduct of the worship of God which was to take place in the Tabernacle. The sinner coming into the presence of God must approach by way of the brazen altar where sacrifice could be made for sin. This called for a priest set apart for his holy duty, which would open the way for the repentant one to enter into the Holy place, and ultimately to know that his sin was covered in the Holy of Holies.

Consider the grace of God in thus providing for the deep spiritual need of His people. All of this pointed forward to the day when Christ the true High Priest was to make the perfect and final atonement for sin by the sacrifice of Himself on Calvary's tree.

The symbolic dress of the priests and his consecration for his duties are all very instructive, but we do not have space to comment at length. Suffice it to say that the one who is to serve in the conduct of the worship of God is to be a called, cleansed and consecrated man, set apart for a holy calling and eager to be used of God to lead men into fellowship with Him.

From these first provisions for the worship of God we thus may learn many of the high principles which are to guide the church regarding the call and separation of men to the ministry. The gift and grace of God shown in the man's character are far more important than intellectual or social standing.

II. God Provides a Place of Worship (35:4-9, 20:29).
The plan for the Tabernacle was given by God to Moses in much detail. A close study of it will bring rich reward.

Although the plans were made by God (Exod. 25:27), note that He gave to the people the privilege of providing the materials. They recognized it as a high privilege and not a burden, and they came enthusiastically with their gifts.

That thought bears application to the believer, for we know that God still gives a cheerful giver (II Cor. 9:7). Those who groan and grumble about the money and material needed for the worship of God have not caught the real spirit of Christian giving.

The children of Israel brought more than enough of their most treasured possessions and of the labor of their hands; in fact, they had to be told to stop (Exod. 36:1-7). Imagine having to tell people to stop giving! That would be a novelty!

The Tabernacle was duly built, and thus the work was ready for its literal place of meeting (Tabernacle literally means "tent of meeting"), beautiful and appropriate for their days of sojourning in the wilderness. The significance of the Tabernacle is both interesting and important.

(1) It is a symbol of God's presence with His people. All who were defiled were excluded because God was there.

(2) It is a type of God's method of bringing sinners to Himself. There must be a sacrifice for sin before communion can be established.

The furniture of the Tabernacle is therefore significant. The altar of sacrifice and the laver of cleansing come first in the outer court. Then on his journey from the sacrifice to the communion of the Holy of Holies, the one who seeks God is fed by the showbread, lighted by the candlestick and sustained by prayer, of which the altar of incense speaks.

Christ is the Bread of life, the Light of the world, our High Priest and interceding Advocate. Within the Holy of Holies the mercy seat typifies the covering of a believer's sins by the blood of Christ.

(3) It is a symbol of the incarnation of Christ of whom it is said that He "tabernacled" with men.

(4) It is a symbol of heavenly things. Christ now appears in heaven for us as our minister and high priest (Heb. 8:1-5).

(5) It is a symbol of God's dwelling with men in the ages of eternity (Rev. 21).

The ensemble of 50 voices has won widespread recognition for its ability to sustain notes far below the usual register for women. This enables the inclusion of choral works on their program, that are generally regarded as suitable for only mixed choruses. The voices range from high C to B flat below C, thus permitting melodious harmony in both the bass and treble clef.
The group is directed by David W. Holland, organist and director of music at the college.

PLenty of TIRES? SUMMER, MAYBE
Despite the end of rationing, the rubber industry can't see plenty of tires before the late summer. The eight-hour day in the principal rubber plants, instead of the effect, would increase production by about one-third a month. The unions insist on the six hour day, however, despite the current shortage of some 7,000 full time rubber workers.
