"Time is the keystone of your future plans. Learn to appreciate the value of it. It is precious. Each day brings you 24 fresh hours to do with as you see fit. You can waste it away in purposeless living, or you can control it and work wonders by so doing."
—Abbe Wallace

X. G.—I was married to my first husband 15 years. We just could not get along. I divorced and married another. I learned this man I married was after everything I had. He wanted everything for his self, but did not want to give anything. He only worked enough to make ends meet. His motto was "live for today, let tomorrow take care of itself." It may be shameful to say, but I went back to my first husband and so far I am very happy. We have children. He treats me like a queen now.

Ans: Good! you deserve it. And good riddance to husband No. 2. But—there is a little matter of another divorce to take care of before you should think of becoming a mother. As to bearing children—if you and your mate are serious about this matter, you should visit your family doctor together and let him advise you. Medical science has made many advances on the subject of fertility in recent years. Your physician diagnosis of your case may surprise you.

B. T.—My grandfather was an employee at a certain railway co. for a period of 30 years. He retired about two years before his death (1944). He was drawing a pension I would like to know if my grandmother could draw some source of income she is in her late fifties.

Ans: I fear not. However, this matter is worth investigating for a new act affecting retired railroad folks went into effect as of the first of January this year. If your grandmother has minor children under 18, she may be eligible for this pension now. If not, when she reaches the age of 65, and if she has not married, I believe she will draw benefits. For definite information, write or visit the Railroad Retirement Board office in your state. They will cheerfully inform you what steps to take.

F. C.—I am very worried about my future. I am making a little money but in the wrong way. I want to know if I will ever meet the right guy and how can I do better?

Ans: The road you are traveling now is paved with heartaches and suffering and leads downhill. Put your past behind you, friend—take out a new claim and a new life for yourself in some other section of the country. The joy and freedom of mind you will realize from such a change will be like a breath of heaven to you. When the day comes that you cut all ties with the kind of life you are now living... you will be in a position to find happiness with the right guy. In the meantime, want you to send for my Happier Living Lesson No. 3, "THE WAY

Dramatics-Literary-Variety Club of the City B. T. U.

Willie Mae McCrory, Reporter
This youth organization is made up of all denominational Christian young people who do not wish to live in themselves alone, but to give a portion of their lives to make others happy. In this youth organization there are three divisions: dramatics, literary, literary and variety, where we put our ideals in doing good and to give and do our best. God hides some ideal in every human soul at some time in our life; we feel a trembling, fearful longing to do some good thing, and the impulse to do our best. Here are some of the brief activities that you may be expecting from us in the near future.

Dramatics: Mystery
The club will put on a mystery play sometime in April. Preparations are now being made which will be announced further in more detail.

Literary: Debate
A debate will be put on on the third Sunday of this month at Salem Baptist church. Topic: "Which home has given more to the family—the earlier home or the modern home." We sure to hear this. I know you will be pleased.

Variety: Boxing
One of our members will fight Tuesday night on the 14. He is Mr. Eugene Brown. The club will be there in full to cheer him on. You will receive the results of the fight in the next article. But regardless whether he will win or

Dining Car Waiters

Start New Year With Definite Purpose

The Dining Car Waiters decided that they would begin the New Year with a definite purpose in view. That is to improve their standard of living and to improve their working conditions. The trend of thought is to keep abreast of the times and to take advantage of each opportunity to push forward. A school of instructions is now being conducted for all dining car employees. Youngsters in the service the being taught service, teamwork, cooperation and how set up a dining car and how to serve the public. To the older men this is a brush-up on course reviewing over that which was learned some years ago.

Stewards are being instructed how to manage a dining car and waiters are being taught how to serve and please their guests and cooks are instructed how to food and special that will appeal to the appetite of the guest. General instructions are being given in the entire crew how to operate a dining car in order to get results.

IS THERE SUCH A THING AS PERFECT WOMANHOOD?

"No"—claim medical authorities, who ought to know Nature has so constructed and physically endowed woman that in many cases she's apt to suffer certain distressing symptoms during her life. For instance, when she enters womanhood—or during the menopause, the period when fertility ebbs away. Now if on "certain days" of the month—female functional monthly disturbances are causing you to suffer from pain, nervous distress and feel so tired, cranky, you snap at your children and husband—then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this purpose.

Made ESPECIALLY For Girls and Women
Pinkham's Compound does more than relieve such monthly pain. It also relieves accompanying nervous tension, irritability and weakness, high-strung feelings—when due to this cause. Taken regularly thruout the month—this great medicine helps build up resistance against such distress. A thing any sensible woman should want to do!
Lydia Pinkham's Compound is also very effective to relieve hot flashes and those funny, embarrassing feelings during the years 38 to 52—when due to the functional "middle-age" period peculiar to women.
Pinkham's Compound is worth trying!
