

What's On Labor's Mind!

There is a flood of bills in Congress proposing to pass laws against labor unions.

THE ENACTMENT OF THESE PENDING BILLS COMPREHENDS THE COMPLETE DESTRUCTION OF ALL FORMS OF UNION SECURITY. THEY SEEK ABANDONMENT OF THE CLOSED SHOP, MAINTENANCE OF MEMBERSHIP AND OTHER FORMS OF UNION SECURITY THAT HAVE PREVAILED IN THE U. S. A., SINCE THE BEGINNING OF TRADE UNIONISM.

THE ENEMIES OF ORGANIZED LABOR ARE BENT UPON THE ULTIMATE DESTRUCTION OF THE LABOR MOVEMENT IN THE UNITED STATES OF AMERICA. THE HARTLEY, BALL, RAFT BILLS ARE DEFINITELY DESIGNED TO COMPLETELY CRIPPLE LABOR. THERE CAN BE NO QUESTION ABOUT THAT.

THE FATE OF PEACE, THE FATE OF WORLD COOPERATION AND WORLD ECONOMIC SECURITY LIES IN THE LAP OF THE AMERICAN INDUSTRIALISTS. HISTORY HAS PROVEN THAT WITHOUT A STRONG TRADES UNION MOVEMENT, INDUSTRY WOULD NOT CONTRIBUTE TO THE ATTAINMENT OF WORLD PEACE AND SECURITY DEMANDED BY THE COMMON PEOPLE THE WORLD OVER.

IF THE ANTI-UNION DRIVE SUCCEEDS IN CONGRESS, IT WILL HURT EVERY WORKER'S POCKETBOOK AND EVERY HOUSEWIFE'S SHOPPING BAG. IT WILL MAKE EACH ONE OF US LESS SECURE IN HIS JOB AND HIS FUTURE.

THE TIME TO ACT IS RIGHT NOW—TODAY—WRITE OR WIRE YOUR SENATORS, CONGRESSMEN AND PRESIDENT TRUMAN, DEMANDING THAT THE LEGISLATIVE ATTACK UPON THE VERY EXISTENCE OF ALL LABORING PEOPLE CEASE.

—NEBRASKA C. I. O. LEGISLATIVE COMMITTEE OF THE OMAHA-COUNCIL BLUFFS CITY INDUSTRIAL UNION COUNCIL—

NOW THAT THE TELEPHONE STRIKE IS ENDED

May we first of all thank you sincerely for your tolerance and understanding during the trying period just ended. We deeply regret any inconvenience you may have been caused.

Honest differences of opinion existed between the Union and the Company. In fairness to its customers, the Company insisted from the outset that the dispute be resolved here in our territory. The agreement just reached through collective bargaining negotiations and conciliation came after assurances by the Union that it was a free and independent bargaining agent.

Now that the strike is over, telephone men and women everywhere throughout our territory are being welcomed back to their jobs. We assure you that we will work as hard as we can to get back to regular day-to-day operations as quickly as possible . . . and to carry forward our plans for constantly improving and expanding your service.

The overall cost to the Company resulting from the wage settlement amounts to about \$4,500,000 annually, of which some \$720,000 will be incurred here in Nebraska. In reaching this agreement, we did everything we could to see that the wages we pay are fair to all concerned and not unreasonable in their effect on the rates you pay for telephone service.

He also drum majored the 384th Army Band at New Orleans, La., and Staten Island, N. Y.

The son of the deceased Dr. J. L. Green, and has been a resident of Omaha for 28 years. Mr. Green is 32 years of age, he is married and has three children.

Now's The Time For Good Gardeners To Join Together Over A Sociable Cup

WHEN spring's in the air, it's high time for good gardeners to get together for a sociable evening and compare notes on favorite theories on seeds and exposures. You'll bountifully fulfill your hostess duties if you provide sweets and ample beverage supplies to spice the conversation.

A treat that's sure to appeal to spring-time appetites is a plateful of tiny open face cookies filled with varied sweets. A light crisp confection is best to co-star with jelly and fillings. It's a good idea to serve decaffeinated coffee so your enthusiastic gardeners can spice their conversation with extra cups without losing sleep later on. Second cups are no trouble, if you use the new instant decaffeinated coffee. Just add hot water, if the temperature's right for a piping hot beverage. Or if the evening's suddenly warm, just dissolve the instant decaffeinated coffee with water from the tap and add ice. In a minute you'll be assured of a tinkling glass of rich, full-bodied coffee. A fluff of whipped cream adds appeal to the iced glass. As a festive touch try mixing the decaffeinated coffee with chocolate drinks.

A rolled pastry cookie is best for the jelly filling. Stamp circles with a biscuit cutter. Use a thumb dipped in flour to cut out the centers from half of the disks. Place a small spoonful of jam or preserves on the lower circles, top with the cut-out circles, and bake until they are lightly brown. Serve either hot or cold.

- 1 cup hot water**
4 tablespoons sugar
Dash of salt
3 cups milk
- Combine chocolate, instant decaffeinated coffee, and hot water in top of double boiler and place over low flame, stirring until chocolate is melted and well blended. Add sugar and salt and boil 4 minutes, stirring constantly. Then place over boiling water. Add milk gradually, stirring constantly, and heat. When hot, beat with rotary egg beater until light and frothy. Cool. Pour over cracked ice in tall glasses. Or serve hot, if desired. Top with whipped cream. Makes 4 servings.
- Open-Face Jam Cookies**
2-1/2 cups sifted cake flour
3 teaspoons double-acting baking powder
1/2 teaspoon salt
1/2 cup butter or other shortening
1/2 cup brown sugar, firmly packed
1 egg, well beaten
1 teaspoon vanilla
1/3 cup milk
Jam
- Sift flour once, measure, add baking powder and salt, and sift again. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add egg and vanilla, then add flour, alternately with milk, mixing well after each addition. Chill until firm enough to roll. Roll 1/8 inch thick on lightly floured board. Cut with floured 2-1/2-inch cutter. Place 1 teaspoon jam on a circle; place another circle, from which the center has been cut, on top and press edges together. Bake on ungreased baking sheet in hot oven (425°F.) 8 minutes, or until done. Makes about 2 1/2 dozen cookies.
- Gardener's Coffolate**
2 squares unsweetened chocolate
6 teaspoons instant decaffeinated coffee

BROTHERLY BEHAVIOR

CAPT. EARLE CONOVER

"THEIR HERE" On a huge sign displayed across the front of a store in my neighborhood may be seen the words, "Their Here". Listed below are some of the articles for the sale, the badly-needed, post war, home appliances.

Every time that I've seen that sign I've asked myself, "Whose 'Here' is this, after all? Does it belong to one group?"

Ellis Arnell, Former Governor of Georgia, recently lectured in our city, using the thought-provoking subject, "Whose America is this, Anyway?" Let's think about it!

While America was discovered and colonized early by certain national and religious groups, through out its entire history immigrants from practically all sections of the globe have settled in it. So, from the very first, America was something more than a one-group, one-culture Country.

Yet in many places and in many times some of our fellow citizens have lived so selfishly and so blindly that they have deprived others of their own birthrights.

"WE THE PEOPLE"

The Preamble of our constitution may well be a "must" reading for our citizenry: "WE, the PEOPLE of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this
