Contrasting Patterns Achieve Dramatic Effect

Contrast in mood as well as color effect is a new and subtle note for modern interiors. In the bedroom pictured above, this treatment is particularly effective. The use of two contrasting patterns has been introduced to achieve this dramatic effect.

Interior Modes... by Reno

The theory that a cold room can be made "warm" without adding heat was put to test recently with surprising results. Originally the room shown here gave an impression of coldness due to its northern exposure and the "coolness" of its blue and white wallpaper.

Taking advantage of color "temperature" — the psychological effect different colors have on the human nervous system—a coat of rose Kem-Tone was applied directly over the wallpaper. Since rose is a "warm" color, related to the warm rays of the sun, it succeeded in taking the chill off the room and will help make it appear several degrees warmer this winter.

French Frying Can Be Easy

Remember the last time you ate some wonderful French fried foods at a restaurant? Didn't you long to be able to duplicate them at home? You can duplicate them at home by using the same method that many famous hotels and restaurants use, dipping foods in a batter made from pancake ready-mix before deep frying. A batter dip of pancake ready-mix forms a protective coating over the food which prevents fat from soaking the food during frying.

GENERAL BATTER DIP DIRECTIONS
For seafoods or vegetables, combine 1 cup pancake ready-mix with 1/2 cup milk, 1 beaten egg and a dash of salt and pepper. Stir lightly. Dip seafood or vegetables in the batter and fry in hot deep fat, 370° F., until golden brown.
For a fruit batter, combine 1 cup pancake ready-mix with 1/2 cup milk, 1 beaten egg and 1 tablespoon sugar. Stir lightly. Dip fruit in batter and fry in hot deep fat 370° F., until golden brown.

French Fried Shrimp
Peel raw shrimp; remove black vein, drain and salt well. Dip in batter and fry in hot deep fat about 2 minutes.

French Fried Cauliflower
Wash cauliflower and separate into flowers. Boil vigorously for 2 to 3 minutes in salted water. Drain. Dip each flower into batter. Fry in hot deep fat for 2 to 3 minutes.

French Fried Eggplant
Peel eggplant. Cut crosswise in 1/4-inch slices. Cut each slice into pie-shaped wedges. Dip in batter. Fry in hot deep fat for 2 1/2 to 3 minutes.

French Fried Fruit
Dip fruit (pineapple rings, half bananas, apricots, peaches or apple slices) in fruit batter and fry in hot deep fat for 1 to 3 minutes.

French Fried Onions
Peel medium-sized Bermuda onions and slice crosswise in 1/4-inch slices. Separate rings. Dip in batter and fry in hot deep fat for

How women and girls may get wanted relief from functional periodic pain
Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:
1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.
Try Cardul. If it helps, you'll be glad you did.
