**CHRISTMAS**  
During the coming week we shall observe Christmas, the birthday of our Saviour. We all want to have a happy Christmas. Happiness presupposes peace, peace with God, with ourselves, and our fellowman. That peace for which all the hearts of men are yearning can be found only in the Christ-child. "He is our peace, who hath made both one, and hath broken down the middle wall of partition between us," says St. Paul. Through faith in Jesus our sins are blotted out; we have peace with God and ourselves. Then we shall also be willing to forgive others who sin against us.

Since Christmas marks the birthday of our Saviour through whom all sins are forgiven, it is a good time to straighten out the kinks that have tangled our lives during the past year. Those harsh words which we spoke, which went like a knife to the soul, and for which we perhaps never sought pardon—when will we find a better time to make it right then right now as we prepare our hearts for Christmas? And is there any coldness between us and someone else? Melt it before the glowing fires of Christmas and never let it freeze again. Let there be peace in the heart, peace in the home, peace with everybody everywhere—yes, "Peace on Earth."

Services will be held at Hope Lutheran on Wednesday evening, December 24, at 8 o'clock. The Sunday School children will present a beautiful, colorful Christmas pageant based on the Sacred Record of Matthew and Luke. Services Christmas Day at 7 a. m. Everyone Welcome.

Vegetable oils, abundant in Brazil, are being used to contribute to the solution of the fuel problem in that country. The idea of using vegetable oil as a substitute for petroleum is not a recent one. Ever since mineral oil began to get scarce, experiments have been made in different countries with oil of vegetable origin.

**Some Christmas calls will be delayed**

Although millions of dollars worth of new equipment has been added throughout our territory in the last year, we expect that the rush of long distance calls will be too great for all to be handled promptly.

A full force of operators will be on duty and every board in service. Every operator will do her best to put calls through promptly, yet some circuits at certain hours are bound to be loaded beyond capacity.

If your call can't be completed as fast as you would like, we hope you'll understand. It will help us and you, too, if you don't ask the operator for reports on your call.

Thanks and a very merry Christmas.
