**Beer Retailers: When in Doubt Do Not Sell!**

In Nebraska, the law forbids the sale of beer to minors under age 21.

Every retailer must refuse to sell beer to anyone who is not of legal age to make the purchase.

It is to the beer retailer's high credit that when in doubt he does not sell.

Likewise, the beer retailer merits cooperation from the public. Do not ask him to sell beer contrary to law—and do not object when the retailer "leans backward" to be sure he is right.

Citizens can help us by reporting to this Committee, in confidence, any fact involving the sale of beer which violates the law or the sensibilities of the public. Then, after thorough investigation, such steps will be taken by this office as seem warranted.

**Indians Popped Corn**

Popcorn was raised by the Indians long before Columbus arrived in the Western hemisphere. It became an important commercial crop about 1880. Formerly it was supposed that the popping of corn was caused by the volatilization of oil in the grain. The explosion is due simply to the formation of steam within the grain when it is heated—neither air nor volatile oil, experts say, is concerned in the process. Popcorn with a louder "pop" has been developed.

**Ties Now Live Longer**

Back in 1915, railroad ties had to be replaced after five years of grinding and pounding under the wheels of heavy trains. The 1947-model crossties, however, hardened and preserved with creosote by improved methods, are good for 35 years. Stretching the life of a tie sixfold saves considerable as it costs more than a dollar, not counting labor, to renew each tie. There are are nearly 1,300,000,000 ties constantly wearing out on all the railroad lines in the United States.

**CLEAVES TEMPLE C.M.E. CHURCH**

25th and Decatur Street  
C. P. Raines, Pastor  
Mrs. Jeanie English, Reporter

This morning Rev. Raines and Rev. E. H. Unvert of Trinity Methodist Church changed pulpits.

The sermon by Rev. Unvert was from Ephesians 3:14-25. Theme: Filled with the Fullness of God. It is going to take more religion to put out the fire of sin, and accomplish more brotherly love. We need to be led by the spirit of God. We profess to be Christ-like, yet we are not filled with the spirit. To be filled with the fullness of God is a continuous process. The Great Heros of the faith believed in prayer. We should spend more time with God in prayer. When a bucket is already full, you can't put any more into it. Maybe some things will have to go out of our lives before God can get in. We are afraid to empty ourselves of the evils in us, so that God can come in. Let us not be agitated, let us be filled with the fullness of God.

We enjoyed the sermon by Rev. Unvert, and pray for more brotherly understanding among races. Visitors are always welcome. Please return.

Let us remember to pray for the shut-ins.

You and your friends are urged to hear Mr. Rowland W. Haynes, President of the Omaha Municipal University speak on "The Palestine Situation—its effect on Christianity and World Peace" on Sunday February 15, at 3:30 p. m.
