SERVICEABLE and attractive is this teen spun rayon dress made of Avisco rayon yarns. The fabric is soft and drapable, yet it will withstand the rough wear, teen-agers give their clothes. Notice the striped collar and the unusual push-up sleeve with their striped lining. If you would like some helpful tips for buying dresses, send for the free leaflet "How to Judge Fit and Workmanship in a Rayon Dress." To get your copy, just mail a stamped, self-addressed envelope to the Women's Department of this paper.

Origin of Indians
 There are theorists who trace the American Redmen to the lost continents of Mu and Atlantis, and still others who identify them as the lost tribe of Israel and the wandering Greeks of Homer.

LISTEN TO MAIN STEM DERBY

Special services conducted during this period of Lent have as their objective a meditation upon the suffering and death of our Savior. They are not intended to excite sympathy for Jesus, but rather to bring us to a fuller realization of our own unworthiness and sinfulness, for which Jesus came to suffer and die. Special Lenten services will, therefore, be conducted at Hope Lutheran every Wednesday evening at 8 o'clock. The public is heartily welcomed to attend.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy and beautiful floral offerings received from many friends in Omaha and other cities during the illness and death of our beloved husband, father, brother, grandfather cousin, Mr. Arthur Sampson who departed this life Friday January 16th 1948. Especially thank Rev. E. F. Ridley, Rev. O. J. Burckhardt, Rev. Foster Goodlett, Rev. A. N. Ridley, Rev. John Olds and all who endeavored to lighten our burden in our sad hour. Mrs. Lena Sampson, Wife, Miss Mary Sampson, Daughter, Mr. Ass. and Walter Sampson, Brothers, Miss Louise Perkins, Grand daughter, Mrs. Araceta Sawyer, Cousin.

Own Motor Vehicles
 Less than 50 years ago, motor vehicular transportation was virtually unknown in many parts of British West Africa. Today, motor transportation has extended the range of health and welfare services, speeded up economic development and opened the way to still more progress. Pictured above are African artisans who use modern methods and techniques to service all types of vehicles and to adapt important chassis and build

The staff at these workshops, in Accra and Kumasi on the Gold Coast, is composed almost entirely of Africans.
