Bells That Sing Out

THE WEEK

By H. W. Smith

Mr. and Mrs. Harold Donahoe of Buffalo, Wyoming second baby will have the same operation as the first at the Methodist Hospital in Omaha. The baby has a stomach ailment.

President Truman raps reactionaries at the Jackson Day Dinner Banquet in Washington on Thursday night and told all about what the great Democrat party had.

Champion Joe Louis and his wife sailed on the ocean liner Thursday, February 19. Mr. Louis and his group carried a supply of choice foods.

Dr. Wesly Jones was at his very best as master of ceremonies at the birthday party for Rev. Reynolds of Clair Chapel on Wednesday evening, February 18. Mrs. Jones and Mrs. J. E. Wade used their best efforts to make the party a good success. Orchids to the members.

Introduced Racing Horse
Thothmes III, greatest of Egyptian kings, in 1450 B. C. left a papyrus record of his conquest of Mesopotamia, priding himself upon obtaining the racing horse and introducing him into Egypt.

Infra-Red Ray for Cotton.

The newest wrinkle in cotton ginning is the use of infra-red rays to dry moist cotton. The idea is to keep a constant heat all through the ginning process. The cotton is heated while going through the extractor and stands. A battery of 32 infra-red lights is set up on each unit. By the press there is little moisture left.

Heart of Asparagus

Asparagus is grown in nearly all sections of the United States, but large industrial production is limited to a few localities. In 1945, in the nation, 126,258 acres were used for commercial growing of asparagus. About half of this acreage was located in California. Principal areas of production in that state are Sacramento, San Joaquin, San Fernando and Imperial valleys.

May Become Short

Fertilizers may be difficult to get when they are needed next year. So it's a good idea to see your dealer now and make arrangements for 1948 fertilizer, say county agricultural workers. The safest plan is to get delivery of fertilizer at the earliest opportunity.
