J. VINCE CROWE FOR MAYOR

KNOWS HIS CITY. HE IS BEST QUALIFIED TO REPRESENT OUR CITY IN BRINGING NEW INDUSTRIES HERE
HERE HIM OVER KSWI AT 6:00 P. M. EVERY FRIDAY NIGHT

Dedication Soon—To be formally dedicated Saturday, April 3, a day ahead of the inauguration of its new president at Tougaloo College, Tougaloo, Miss., will be imposed edifice which has been named Brownlee Hall. Delivering the dedica-

Tougaloo, Miss.—National interest centers in the inauguration Sunday, April 4th, here of Dr. Harold C. Warren as new president of Tougaloo College.

Leading up to the inaugural ceremony will be seminars all day Friday, April 2, under the "Rewarding Uses of Leisure"; the formal dedication of Brownlee Hall with Dr. Douglas Horton as guest speaker, a concert featuring the choirs of Jackson and Tougaloo Colleges, and an evening reception in honor of the new president, all Saturday, April 3.

President—ELECT Warren, who was graduated from Princeton University, 1912, studied at New College, Edinburg,

atory address will be Dr. Douglas Horton, executive secretary of the General Council of Congregational and Christian Churches. The building is named for Dr. Fred L. Brownlee, executive secretary of the American Missionary Association.

Scotland, and was graduated from McCormick Theological Seminary in 1915, will deliver the inaugural address at 11 o'clock. An annual meeting of trustees Sunday afternoon end the important week-end, carrying on special studies at the University of Chicago in 1931-36, when he pastored in the Windy City, has completed residence work for the Doctor of Philosophy degree in Edinburg, which he shall have conferred upon him at the completion of his thesis.

The new Tougaloo president received his high school education at Swarthmore Preparatory School in Pennsylvania.

If you want good government and an efficient business administration for your city, vote for George B. Sparks, for Mayor.

Council Bluffs Iowa

You as a voter are a part of your city government, meaning that each and every person's tax dollar should be equal and every person's rights and liberties should be protected. Then, and only then, can we have good city government. Vote for **Albert L. Cleveland**, 5th ward Alderman, Rep.

In March of 1946 the people of Council Bluffs elected me their City Engineer. I have served you in that position to the present time. As the people of Council Bluffs have not filled anyone to run against me in this coming election on either the Republican or Democratic ticket, they must be reasonably certain that I am attempting to do my best.

With the backing of the people of Council Bluffs and their projects that will come up cooperation in the different from time to time, I make one promise—to continue to work for you to the very best of my ability.

Forest E. Grover, City Engineer

I believe now, as I have always believed, that the Alderman-At-Large should know what is going on in all wards and be willing to assist the ward alderman, regardless of what party he may be a member of.

He should also be able to know whether or not the City is getting full value for the money being spent, and to investigate it before voting.

I feel that the Alderman should consider themselves as members of the Board of Directors of the largest business in our city—that of City Government—and vote accordingly.

I am not in favor of making a lot of promises to the public that I know I cannot be fulfilled, and I believe in fair at all times to my constituents. **Last, but by no means least, I DO NOT BELIEVE IN WASTING THE PEOPLES MONEY.**

Joseph B. Katelman, Republican Candidate

CREIGHTON BASKETBALL

The Basketball game at Creighton was a success in attendance and also the Monarchs and the Hawaiian teams who played excellent basketball. As for Jesse Owens, he was as great as every sportsman. He gave a talk and demonstrated a few points of form to young men wishing to become athletes. The crowd did keep calling for Goose Tatum who did not appear. The sport fans were greatly disappointed, after having waited two hours expected to see Tatum. The second half was played to a partially filled house, as nearly all the fans left before the game was over.

In college, he was a varsity debater, football player, wrestler and swimmer. Still active, he plays a sound game of golf and can pilot an airplane.

Dr. Warren, in accepting the presidency of Tougaloo, left behind him a fruitful ministerial career. His former pastorates were First Presbyterian Church, Walla Walla, Washington, 1919-1920; Trumbull Avenue Presbyterian Church, Detroit, 1921-1931; South Chicago, 1931-1938; and, finally, First Presbyterian Church, Warren, Pa., where his church membership was 1,385, and where, the past year, the membership raised \$31,000 for congregational expenses and an additional \$10,402 for missionary benevolences. Fifty-three members were added in the last six months alone.

A singular fact about Dr. Warren's ministry is that he was never obliged to leave any church he was pastoring. In every instance, he went from a large church to an even larger church. He worked effectively and satisfactorily with trustees in every administrative role he filled as a pastor.

CIGARS FOR TURKEYS

Turkey points on a highly purified diet containing all necessary nutrients except nicotinic acid grew poorly in tests at University of Maryland. They developed certain deficiency symptoms such as inflammation of the mouth, diarrhea, poor feathering and perosis. All symptoms were prevented by the addition of three to five mg. of nicotinic acid per 100 grams of rations.

ELECTION MARCH 29, 1948

THE SEELISBERG CONFERENCE

An International Emergency Conference to combat Anti-Semitism was called in 1947 (August) by the International Conference of Christians and Jews. From nearly every nation of Europe and from far-off corners of the world, there came the Seelisberg, Switzerland, the 58 persons who represented Protestant, Catholic & Jewish religious groups.

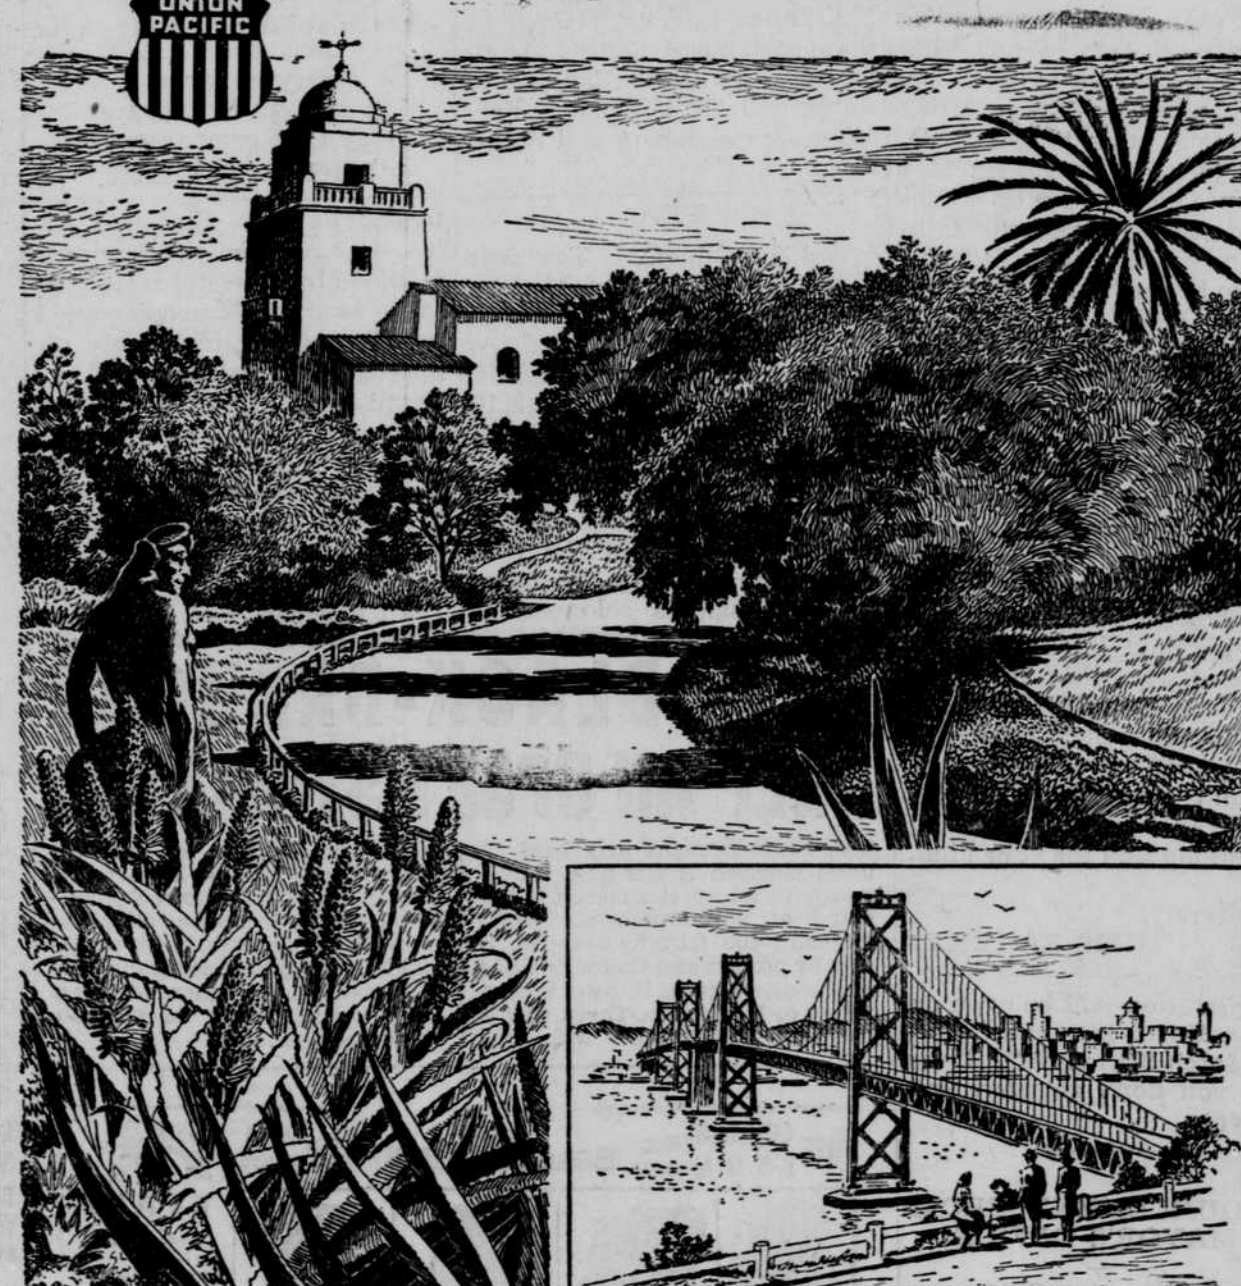

A resolution adopted was addressed to the heads of the Christian churches, which spoke

of Christians being "moved by a passionate love and compassion for the Crucified Saviour". It is stated: "It is not the Jews alone who are responsible for the Cross which saves us all; it is for the sins of us all that Christ died."

All who preach and all who teach have an opportunity now to "avoid representing the Passion in such a way as to bring the odium of the killing of Jesus upon all the Jews or upon Jews alone". (Seelisberg words).

GEO. H. MAYNE, II,
City Solicitor

The problems which have faced the office of City Solicitor during the past two years have been many and difficult. I have tried to handle these questions to the best interests of the people of Council Bluffs and trust that my conduct of this office has met with the approval of the people. In asking re-election to the office of City Solicitor, I can only say that if re-elected I will continue to serve the city and its people to the best of my ability. I am willing that my qualifications for the office shall be judged by my conduct of it during my experience in the practice of first term and feel that my long law, together with my familiarity, gained through experience, with the problems with which the city is going to be faced during the next two years, can be of material benefit to the City and its people.

OMAHA, NEBRASKA SCHOOL NEWS

NEWS FROM LONG SCHOOL

By Verder White
Greetings Guide Friends,
I suppose you know what I'm going to talk about; and if you don't, it is about the carnivals we had at our school. It was very good, everyone seemed to be having lots of fun, and all of you who weren't there really missed a treat.

There was boxing, bingo, and naturally eats which were hot dogs, coke, seven-up, candy bars, and ice cream.

There was also dancing, the fish pond and a new style show. Best of all was the crowning of the King and Queen of Long school. The queen was Florence Scott, who is the charming daughter of Mr. and Mrs. James Scott. The King was a very outstanding student, Robert Hill, son of Mr. and Mrs. Robert Hill, Sr.

The King and Queen are both 8th grade students. They received a pair of roller skates for a prize.

LONG SCHOOL CARNIVAL

Our school carnival was a big success. From the youngest to the oldest, everyone seemed to enjoy it. The grown-ups enjoyed Bingo, and other games, while the children danced and enjoyed boxing, the style show, and the crowning of the King and Queen of Long. Some grown-ups enjoyed watching the youngsters dance. They probably wished they were a little younger.

There was a fish pond. You could throw your string over the net; and when you pulled it over, you would receive a surprise. Anyone who did not attend really missed a lot of fun. There was ice cream, pop, candy, and hot dogs for sale.

The crowning of the King and Queen was evry nice. The king was Robert E. Hill and the Queen was Florence Scott. She looked pretty.

At ten o'clock, the bell rang. The carnival was over. Everyone hated to go. I wish we could have another one soon.
