Any Time Of Day Snack

Tall, icy glasses of refreshing fruit juice served with slices of buttered Apple Sauce Nutbread mean a delightful pause on a hot day. It's a combination of note to serve the morning neighbor drop-ins, afternoon family get-together or after a bridge game in the evening.

Keep several cans and bottles of fruit juice in the refrigerator — pineapple, grapefruit, orange, cranberry, apple, nectars or any of your favorites. Serve one or a combination iced, with ginger ale, or topped with fruit sherbet.

Apple Sauce Nutbread

- 2 eggs
- 1/4 cup milk
- 1 can (8 oz.) apple sauce
- 1/2 cup sugar
- 1/2 teaspoon baking soda
- 3 cups biscuit mix
- 3/4 cup chopped nuts

Combine beaten eggs, milk, apple sauce, sugar and soda. Add biscuit mix and beat 1 minute. Stir in nuts. Put into a greased loaf pan; let stand 20 minutes before baking. Bake in a moderate oven (350 degrees) about 45 minutes, until done. Wrap or put in covered container and store overnight before using. Makes one loaf.

Hints For a Luxurious Beauty Bath

MOST RELAXING TIME of day comes when you can pamper yourself with a refreshing beauty bath. Lie back in a tub of tepid water and soak away tension and fatigue. It helps to think of relaxing subjects like green fields stretching into space or ocean waves breaking against a sandy shore.

With a mild, gentle toilet soap like new Lux in gold foil you can work up billows of creamy suds to tease yourself a head to toes "facial" and keep skin young and glowing. The bar's new modern shape is convenient to use and provides faster lathering.

Long a favorite of the movie stars, the beauty bar now offers a subtle bouquet of 37 different oriental and floral fragrances sealed in by a glittering gold foil wrap.

Be sure to use a wash cloth, and with summer's sleeveless fashions, don't forget to double check elbows, arms, and shoulders. After your bath, don't rub but pat yourself gently dry with a soft absorbent towel. Then use an all-over splash of cologne for a final filip.

Decorator's Notebook

Style influences from around the world are the new fashions shown at the summer furniture markets.

Shown above is the simplicity of Danish living. This grouping is one of the most versatile collections of living, dining and bedroom furniture.

Not only are these units interchangeable from room to room, but within a room, and with each other. They bring an unusual and pleasant architectural aspect to our homes. For this custom look, base pieces are individual units, separate from cabinets and drawer chests, creating a free scaling variation about the room. The base units may also be used as benches or coffee tables. Note the extra space in the three drawers of the base units.

The wood is walnut, finished to show a hand-rubbed sheen, which allows the full beauty of the wood to shine through—an increasing trend in new furniture styles.

Sliding drawers in the chests are reversible—one side is a walnut finish, and the other side is a dramatic black paneltye.

New fashion touches are the louvred drawer fronts on case pieces, and the tamboured cabinet for either Television or Hi-Fi.
