## Decorator's Notebook by Alicia Joyce

Nothing offers quite as much fashion, function and satisfaction to a well-organized homemaker as the new corner bed units which have been created for use in either a living or sleeping area. In a guest-den or a small studio apartment, these units have a round-the-clock function. Designed to be part of an entire living grouping, they include a "built-in" storage corner piece, which in addition to holding pillows and other bedding, fills in the corner very attractively. It has an expansive surface which may be decoratively treated with an attractive reading lamp, and otherwise accessorized with knick knacks to make a comfortable lounging, reading nook.

The storage unit is easily accessible from the top and without disarranging the corner setting. This one is accented with cane which is an extremely popular furniture fashion note this year. Other matching pieces here, are a coffee table, which may have either a marble or plastic surface, and a lounge chair, which may be covered with a fabric of your choice.

## "FOR WOMEN"

By Betty Cook For ANP  
A WELL-PLANNED SUMMER COMBINES CHARM, APPETITE APPEAL WITH SIMPLICITY OF PREPARATION.

What is more refreshing on a hot summer evening than a cool buffet supper, well balanced as to food values, the crispness of radishes and hot rolls making a happy contrast with the smooth texture of a molded tomato aspic. Ham roll-ups and potato salad contribute appetite — satisfying bulk, and if you want something hot, too, steaming cups of coffee or tea are the perfect answer.

Just such a buffet supper or luncheon is shown here, with an aspic ring that is simple to make because fruit-flavored gelatin is its base. Try the new apple-flavored gelatin for this — it's wonderful combined with tomato. Or use lemon gelatin, which is always good, or, if you want a brighter red to contrast with the potato salad, try strawberry.

Whichever flavor of gelatin you choose for this ring molded aspic, it will have odor and appetite appeal and be simple as simple to make.

The entire meal can be prepared early in the day, during the cooler of the forenoon, and tucked away in the refrigerator,

to be served by a hostess as fresh and composed as though she, too, had spent the hot afternoon in — well, maybe not a refrigerator, but at least an air-cooled room!

**TOMATO ASPIC RING**  
1 package apple, strawberry, or lemon-flavored gelatin  
1 teaspoon salt  
1 cup hot tomato juice  
1 cup cold tomato juice  
1 1/2 teaspoons prepared horse-radish  
1 1/2 teaspoons grated onion  
Dash of cayenne

**METHOD:** Dissolve gelatin and salt in HOT tomato juice. Add cold tomato juice, horse-radish, onion, and cayenne. Pour into 1-quart ring mold. Chill until firm. Unmold on crisp lettuce leaves or oscaloie. Fill center of ring with potato salad. Garnish with sliced, hard-boiled eggs and chopped chives. Makes 4 to 6 servings.

## HELPFUL HOUSEHOLD HINTS

**DIFFERENT, AND YOU'LL LIKE IT**—Beef stew seasoned with celery seed, bay leaves, pepper. Try cooking with a small amount of pickling spice.

**CHICKEN**—add a little onion, salt, and a bit of mace to chicken gravy. For fried chicken, a bit of poultry seasoning is fine in the gravy to give a different but

pleasing accent.  
Try rubbing just a little ground ginger on pot roast before cooking.

Veal is good with onion salt, celery salt, poultry seasoning.

**VITAMIN C FOR TIRED FEELING**—Many doctors are saying that children who "snack" between meals for that tired feeling should take orange juice, which provides Vitamin C and other important nutrients as well as sugar for quick energy.

**GOOD BREAKFASTS, GOOD TEMPER**—Lack of breakfast not only affects the disposition, it is also bad for the health and mental alertness.

Skim milk, or buttermilk contains all the nutrients of whole milk except fat and Vitamin A, yet a cup of skim milk or buttermilk contains only 85 calories as compared with 165 calories in a cup of whole milk.

Potato chips are in for some competition. USDA has developed new vegetable chips including carrot, beet, and parsnip chips.

## PRINCETON HIRES ENGLISH PROF.

Princeton, N. J. — Asst. Prof. Charles P. Davis, of New York University's faculty, became the first Negro professor this week ever hired by the 209 year old Princeton University.

Said Dr. Carlos Baker, head of the Department of English, in which field Dr. Davis specializes: "We hired Dr. Davis because he is a very outstanding man in his field."

Dr. Davis has been teaching since 1947 at NYU where he earned his Ph. D. in 1952. He graduated from Dartmouth College in 1939 and he completed his master's degree at Chicago University in 1952. He was a Walt Whitman scholar last year and co-authored a critical volume on the American poet. He lives in the Riverton Apartments in Harlem with his wife and two young sons, 2 and 4.

**Empire Founded**  
According to the Japanese, the empire was founded by Emperor Jimmu Tenno in 660 B.C.

## Set A Pretty Table For Pretty Manners

If you're trying to teach your youngster pretty table manners, set a pretty table! For how can Junior learn proper manners if the table setting is helter-skelter, and half the essential "tools" are missing? With all the new and inexpensive items available, you can arrange even his simple everyday lunch in an attractive "company" setting — with no additional effort or upkeep required.

The new plastic tablecloths and plastic place mats make a pretty background, and come clean with the wipe of a sudsy sponge; or a well-sudged soft brush may be used if the surface is textured. Plastic dinnerware is another smart table topic. Recently improved functionally as well as style-wise, it's more resistant to food and acid stains, resists scratches, won't chip, and can be washed safely in the hot, hot soapuds required to keep dishes sanitary. And don't overlook the virtues of stainless steel flatware that needs only simple sudsing, never polishing.

Remember, too, that "linen" napkins are one of the little luxuries of a well-mannered table. They don't even have to be real linen; there are many fabrics that suds in a second and smooth out with the quick slick of an iron. So set a pretty table, promote good manners, and save time, too!

## Two Jobs at Once

Now they have concocted a paint-plaster wall-finish combination that lets you paint and plaster in one operation. One coat is said to hide small plaster cracks, fine seams, nail holes, uneven surfaces, and other similar defects. Easy to apply with brush or roller, the finish dries hard and may be washed or even scrubbed repeatedly. It comes in a variety of colors and can be textured with a brush, sponge, or paper.

## Quick Dessert

Broil some canned grapefruit segments with your next broiled dinner for a quick dessert. Use 1/4 cup of the juice from the grapefruit mixed with a dash of nutmeg, cloves and 1/4 cup brown sugar. Dot the grapefruit butter with this as well as the sugar mixture and broil about 6 minutes.

## Organized Dishwashing

Drainers and drainboards underneath them help to keep the dishes organized after washing; it also cuts down on the water which must be wiped from them.

Save your hands by using a mop or a soft brush. This may not keep the hands completely out of the water, but it helps.

## To Late

Picked up for vagrancy as he leaned against a hotel, a man in Madison, Wis., who explained indignantly, "I'm waiting for a streetcar." got 10 days in jail and the sad news: The last Madison streetcar had stopped running 20 years ago.

## Toast Every Day

Toast is an every day affair, so make it deluxe every once in a while. Spread toast slices with blended butter and brown sugar, then top with chopped pecans and place under broiler for about five minutes.

Let children serve themselves at once.  
**At serving time:** (1) Arrange ice cream balls in chilled bowl or platter. It's time for seconds, remove another bowl. Enough for one serving for each guest. (2) About thirty minutes before serving, remove frozen ice cream balls from freezer and leave, covered, at room temperature. (3) Remove frozen ice cream balls from a bowl.
