#### Scared!

"It scares me to death every  
time I hear one of those musical  
auto horns."  
"Why is that?"

"The fellow who stole my wife  
had one on his car. Now every  
time I hear one of those horns,  
I'm afraid he's bringing her  
back."

#### They Do!

Some parents have difficulty in  
deciding on a name for the new  
baby. Others have rich relatives.
