Chase Sends Final Report To Congress
 This is my last report to my constituency for the year 1955, and it can be very appropriately devoted to the expression of a devout hope for a Happy New Year for the entire world.
 To enjoy a Happy New Year the world must be saved from the death, destruction and ravages of a shooting war, and also the wasteful and depressing effects and frightening implications of a cold war.
 The overwhelming majority of all humans desire uninterrupted peace so that the world can go forward. It is to be hoped that their wishes may soon find such strength of expression that their leaders will take note of the dangers of any course other than that of true peace.
 A world living in genuine peace would soon find itself and all its people rich indeed in the fruits, tended and a good time was had by all. The girls decorated the room and served refreshments of sandwiches, punch, and Christmas candy. Chaperons were Mr. Petie Allen and Miss Pat Norman. The group danced until about 9:30.
 The Cool Cates Club had a Christmas party Wednesday afternoon. They exchanged fifty-cent gifts and spent the afternoon singing Christmas carols and dancing.

South YMCA Wins Holiday Tournament

In an all South Omaha finals, an unheralded team from the South Branch YMCA won the class A division of the Second Annual City-Wide Holiday Basketball Tournament with a 28-30 win over South Settlement. Hero of the Y's victory was Harold Ranslem, whose two free throws with 18 seconds was the margin of victory. Ranslem's gift tosses climaxed an uphill battle for the five from the South Side "Y" as they trailed almost the entire game and were at one time faced with a 10 point deficit. The SSC team was undoubtedly the better of the two teams but couldn't match the determination and fire of the boys from the YMCA.
 In winning the tournament's title, which was won last year by the St. Benedict, the South "Y" team beat two of this area's better teams in the Crusaders Jr. and Tech Jr. High.
 High scorer for the "Y" team was Gerald Kamphuis with 11 points. Don Bruno had 14 points SSC.

Current Reports NAACP Progress In Southwest
 Little Rock, Ark. — Activities of the National Association for the Advancement of Colored People in the southwest are at "an all-time high," Gloster B. Current NAACP director of branches, reported in an address scheduled for delivery here today (Sunday) at a conference of Association leaders from Arkansas, Louisiana, Oklahoma, New Mexico and Texas.
 He cited gains made in school integration and an 11 per cent increase in membership as indications of the Association's vigor and vitality in the region despite organized resistance of "white supremacy" groups. He credited these achievements to the state leaders and the staff assigned to the five states.
 Reporting to the session, Clarence A. Laws, field secretary for Louisiana, said that three formerly all-white colleges in the state were opened to Negro students and that two suits for public school segregation are pending in Orleans and St. Helena parishes.
 "In spite of threats and pressures in some areas," Mr. Laws asserted, Negroes throughout Louisiana have a strong desire for initiating court action to win compliance with the Supreme Court decisions invalidating racial segregation in public education."
