Fruited Eggnog Pie For Holidays

A holiday dinner progresses to its dessert climax with wonderful eggnog chiffon pie. The pie filling calls for commercial eggnog and fruit cocktail, and gains height and airiness with unflavored gelatine. Trimmed with holly wreath gaiety, this dessert ends the meal on a

Commercial eggnog, a rich blending of eggs and milk, yields a ready-made custard base for chiffon pie fillings. Heavy cream for velvety smoothness and the fruit cocktail interest of diced peaches, pears, pineapple, grapes and cherry are then added. The fruit and custard filling gain lightness of texture through the use of unflavored gelatine. This holiday chiffon pie, despite its beautiful appearance, can be simply made. The crust is easy, too, when one uses a packaged Fruit Cocktail Eggnog Pie

1 envelope unflavored gelatine 1/4 cup sugar teaspoon salt 2 cups commercially prepared eggnog

1 cup whipping cream, whipped 1½ teaspoons vanilla 1/4 teaspoon almond extract 1 can (29 ounces) fruit cocktail, thoroughly drained 1 baked 9-inch pie shell

Mix gelatine, sugar and salt. Gradually stir in eggnog. Warm over direct low heat until gelatine is dissolved. Chill until mixture mounds when dropped from spoon. Fold in whipped cream, flavorings, 1½ cups drained fruit cocktail. Chill again until mixture mounds. Heap into baked pie shell. Decorate with remaining fruit cocktail. Chill
