Many Changes in Rules For Washington Co. Speedway

Drivers, Owners, Management And Fair Board Work On Rules

The rules for the 1957 racing season at the Washington County Speedway in Arlington, have now been released. Following are the complete rules.

The rules were made by a group consisting of stock car owners, drivers and management and Fair Board members.

PART I

1. The Washington County Fair Board reserves the right to refuse entry to any car, person, or persons in the Pit or on the Track at the Washington County Fairgrounds at any time.

2. All rules and regulations must be obeyed by all personnel connected or entering a stock car at the Washington County Fair Grounds Race Track. No claim for damage can arise from any of the Rules or Regulations or any decisions of the management, board and committee may make. The management, board or committee named will decide all penalties and decisions unless otherwise stated in rules.

3. A five-man committee of which 3 members shall be chosen by the Washington County Fair Board and 2 members by the drivers and owners of race cars on the first day of races, each year, immediately before the beginning of racing, shall be sole judge by majority vote of all disputes arising under these rules and all parties shall be conclusively bound by the decisions of such five-man committee.

PART II

Body and Frame

1. No cars, or parts earlier than 32 or later than '48 models will be allowed. No foreign cars, station wagons, convertibles, or pickups.

2. All soft top cars must install a metal top.

3. No chopping, channeling or altering of frames or bodies. Frames must be of year and make of body.

4. Frames may be reinforced or braced for strength.

5. Bumpers will not extend beyond frame width. There will be a two inch tolerance. All edges on any part of the car must not be sharp. Bumpers must be capped.

6. All cars will have hood and deck lids. All doors and hoods must be strapped shut during a race with a leather or canvas strap. Deck lids may be welded parts. All latching and locking parts on all doors must be removed.

7. No glass will be used except windshield and they are optional. No rear view mirrors.

8. All cars will be presentable in appearance. Advertising letters will be no higher than 6 inches. Only one sponsor will be announced on P.A. System to a car. Car numbers will be assigned by track management. Numbers must be painted on both sides, deck lid and right half of top at least 1/2 inches high and 2 inches wide. Numbers must be very outstanding, and in complete contrast with the background color. If number is not legible from judges' stand it must be changed.

9. All chrome strips, hub caps, hood ornaments, etc must be removed.

10. Seats are optional, but must be bolted or welded to the car frame with at least two 1/2 inch steel bolts. You may also weld additional braces. All extra seats and upholstery must be removed.

11. All cars must have front and rear roll bars at least 1 1/2 inch in diameter. All cars will have quick release type safety belts. Belts must be at least 3 inches wide. Roll bars must be fastened to the frame of the car.

12. Gas tank may be moved, but a fire wall must be between driver and tank. Gas tanks must be vented in such a way that they will not spill if upset. Gas tank cannot be moved to engine compartment.

13. Stabilization will be only as follows:

a. Optional makes and types of shocks may be used but only 4 will be allowed to a car. Shock fluid is optional.

b. One wedge to a car.

c. You may weld spring shackles.

d. Cars cannot be weighted in any way.

e. Washboards must be of stock length and in stock position.

No other type stabilization will be allowed. (Example: No front or rear stabilizing bars, etc.)

14. No short or "cared" steering. Steering system must be of the same make as car. Steering may be reinforced.

PART III

Tires and Wheels

1. Tires must be of automotive type. No mud or chain types allowed. No racing, grooved or motorcycle tires allowed. Seipping of tires will be allowed.

2. No racing or implement wheels.

3. No dual tires allowed, but 16" wheels may be cut down to fit 14" or 15" rims.

4. No covers or caps allowed on any wheels. Wheels may be reinforced for safety.

PART IV

Engines and Accessories, Transmissions and Rear Ends

1. Engine must be of the same make as the car, such as Plymouth in Plymouth, Chevrolet in Chevrolet, etc. No track engines allowed. No engine will be later than '48 or earlier than '32.

2. Bore will be optional but pis-

ton size will be no larger than .065 oversize in the make of engine you are using. Pistons are optional.

3. Engine must be in stock rear mount position. No tolerance allowed.

4. Crankshafts may be interchanged as long as it does not alter the original stock stroke of your engine. No stroking of crankshafts allowed. No 180 degree crankshafts allowed.

5. Heavy duty oil pump is O.K.

6. You can mill heads but not fill them or use a set that have ever been filed. You will not be allowed to file or to polish or alter any head so as to fit on different number or type of block. No redoming of heads. All numbers must be left on heads.

7. No parts shall be used that are later than '48 or earlier than '32 unless stated in rules. Headlights may be used. All exhaust systems must extend behind driver.

8. Polishing and porting and relieving are allowed.

9. Electric fuel pumps are allowed.

10. No interchanging of stock parts from one type engine to another type engine.

11. Head gaskets optional.

12. Camshafts and timing gears must be unaltered stock. Lift and duration of cams must never exceed the following:

Make	Lift	Duration
Ford	308	248
Chev.	323	238
Lincoln	347	260
Plymouth	369	244
Hudson	346	294
Chrysler	379	244

All other makes must never at any time exceed N.A.S. — Specifications plus tolerance. No cam shall have a 10 degree dwell when valve is wide open. No reconditioned or replacement cams allowed. The lift and duration will be checked in the engine and at the clearances the engine was running at the time of protest. Over 75% of cam must be over specifications before engine is judged illegal.

Tolerance has been allowed. Source of Specification: National Automotive Society.

13. Heavy duty valve springs are allowed. You may also use washers to strengthen spring.

14. Adjustable valve lifters are allowed. Later type valves and guides may be used, as long as it does not change the size or diameter of head of stock valves. You may relieve valves. No hydraulic or self adjusting lifters allowed.

15. An unaltered stock fan blade must be used. A shield must be used for protection.

16. Fly wheels may be cut. No aluminum fly wheel will be allowed.

17. Distributors must be of stock type. Advancement in timing is optional, but no manual control cables are allowed. Double spring points are O.K.

18. Single carburetors is all that is allowed. Carburetors must be stock. No injectors of any kind. No mixed fuels allowed. Stock pump gas only. Air cleaners are optional.

19. A complete generator must be used with the exception of brushes.

20. Starter must be in a very good working condition.

21. Transmission must be stock and unaltered in the make car you are running.

22. Rear ends must not be altered in any way from original stock. No locked, machined friction locking or racing type rear ends. Rear ends must turn freely at all times. Gears must be unaltered stock and according to factory specifications. No commercial gears.

23. All left rear wheels must be painted half black and half white. All cars must have four wheel brakes. Master cylinder optional.

24. Cooling may be altered, but only one radiator is allowed and must be in rear stock position.

PART V

Drivers, Pit and Track Rules

1. All drivers must wear an approved Crash Helmet. No football helmets allowed.

2. No one will be allowed in pit or on track unless he is 16 years of age. All minors must have a track release signed and notarized before being allowed to enter. No women allowed in pits unless on special races. Three men only will be allowed in the pit with each car.

3. No one will be allowed to race unless he has a valid Nebraska driver's license.

4. Every one must sign an entry blank and a set of rules before he will be allowed in the pit.

5. Only local drivers, owners, and pit men will be allowed in the pit and on the track. The Management and Board reserves the right to keep anyone from the pit or track at any time.

6. No drinking of alcoholic beverages in the pit. No one will be allowed in the pit or on track if under the influence of alcohol or drugs.

7. All cars must pay a \$2.00 entry fee per day's racing program, except on special races, which may be more or less.

8. Pit speed will be 5 miles an hour at all times. This will be strictly enforced by the police in the pits, or by the management.

9. You will have 3 minutes to appear on the track after the first car in the race you are assigned to, is placed in position.

10. No one will leave the track on a red flag. You will have 5 minutes for repairs on the track before the race is restarted.

11. No one will be allowed to

enter the white flag on a flat tire.

12. No driver will change cars during a day's racing program.

13. Races will be started according to point standing after first race. Points will go with car or driver and positions in the race will be determined by the highest number of points of the two. Awards will be made on driver's points only.

14. If you are forced into the in-bid you must re-enter track on the same side you were forced into.

15. There will be no fighting or arguing on the track or in the pits. No driver or pitman or their friends will at any time issue any slanderous remarks to another driver, pitman or track official.

16. Any car that rolls is out of that race, regardless whether the race is re-started or not. If any car wrecks or rolls causing the race to be stopped and if race is over 70% finished and not restarted, he will be paid his position as to his last completed lap.

PART VI

1. Only owners and drivers may request a paid or protested tear down. To do so he must deposit the money required with a track official.

2. All protested car owners must, if the rules request it, deposit the amount required to a track official the same day as the car was protested or he will be found illegal.

3. The management or board will have the option on the place of the tear down.

4. The protested tear-down must if called for, take place the same day or following night, at the discretion of the 5-man committee.

5. Only 3 persons protesting, the protested car's owner, driver, mechanic, track officials and the committee will be permitted at the tear-down.

6. Any car at any time may be inspected by committee or management free of charge or deposit.

7. The amounts of money required for a tear-down or check are as follows:

a. The protesters put up one dollar, the owner has to put up nothing, entitles the protester to check rear end, only of car the night of the race by jacking, blocking, or lifting or any other method, and having engine turn rear wheels or wheels, to see if it is locked, or has a friction or binding lock. He has no right to tear rear end apart. If it is not locked, the owner of the car will receive the dollar. If rear end is locked, the owner has a right to take it apart to prove it is locked from mechanical defect or failure.

b. A \$10.00 deposit is required from each of the parties, to tear the rear end apart, to check for being illegal.

c. A \$5.00 deposit by the protester only, entitles him, that night, to have the head only removed and check for piston size, valve size and lift, stroke and heads.

d. A \$20.00 deposit by each of the parties is required to check the following: cam for lift, duration and dwell, valve and lifter, also check stroke, piston size, valves and heads. Cams cannot be removed from engine.

e. A \$40.00 deposit by the protester and a \$20.00 deposit by the owner is required for a major tear-down, which must take place on the following night, or at the discretion of the 5-man committee.

f. A \$15.00 deposit by each of the parties is required for to take samples. Gas samples should be taken in a quart-air-tight container. Two samples should be taken, one left with management and the other sent in for testing. \$10.00 of this deposit will go for the charge of testing gas. \$5.00 of this deposit will be allowed for delivery of gas to testing place. Gas samples may be taken at any time by management or committee at no charge. Samples may be taken before the car leaves the track after the race it was in.

g. The deposit from the above, outside of garage fees, mechanic fees and others mentioned above, will be paid to the protester. If the car is illegal, it will be paid to the owner if the car is legal.

h. If the car is torn down in a garage the following night of racing, the management is to place a guard with the car at all times, until the tear-down.

1. The five-man committee's decision will be final on all tear-downs.

Disqualifications

1. The maximum penalty for being illegal will be the loss of his purse and points for the racing day in which he was found illegal. He will be entitled to return at the next racing day, but will only receive 10% of his winnings and points for the first racing day, or 10% credit of penalty if he has not won anything. He will receive 10% additional, each racing day that he races. (Example: 10% first week, 20% second week, 30% third week, etc.) until he is back to 100%. If he is disqualified again when this penalty is in force, it will mean an additional penalty. This penalty applies to both the car and driver. This penalty will carry over into the next year of racing.

2. The maximum and minimum penalty applies only to an illegal cam, rear ends, heads, piston size, stroke and mixed fuels. All other penalties will be decided by track officials and committee.

These Rules have been approved and passed by the Washington County Agricultural Society.

PURSE

The purse will be 50% of the

gate receipts after taxes. We the undersigned have read, and understood and will obey all of the above rules and regulations.
