On Heart Sunday..

Give for  
every Heart You Love

Next Sunday is Heart Sunday. It is the day to put out the welcome mat for a very special visitor.

Your caller will be a Heart Fund volunteer—probably a neighbor whom you already know. She will leave her own fireside to see you and enlist your support in the fight against heart disease.

Chances are she will ring your doorbell sometime between the hours of noon and 4 p.m.

So welcome her with a friendly smile and a warm handclasp.

Just place your Heart Fund gift in the envelope she hands you.

Seal the envelope. No need to say how much you give. But let your contribution represent every member of your family—a gift for every heart you love.

Now return the sealed envelope to her. Your Heart Association will use your contribution to fight heart disease through research . . . through professional and public education . . . and through community heart programs.

If you are not at home, your Heart Fund volunteer will leave a "Sorry-I-Missed-You" envelope. Look for it. Use it to mail in your contribution.

Give generously . . . Give for every heart you love

Help your Heart Fund Help your Heart
