Messrs Austin and McCorkle visited Omaha last week. Mr. Austin says that crops here are just as good as any down that way and when they have a good crop in eastern Nebraska we have the same in Box Butte. When a renter in the east who pays from \$3 to \$5 per acre loses a crop he finds himself "dead broke" and no place to stay during the winter; but it is different when you own a farm. This is the time to secure a home in Box Butte, the banner county of western Nebraska.

Alliance News

R. M. Hampton started Tuesday for Kansas City with a train load of cattle. He thinks there is a better market there than at Omaha.

The post office is now nicely settled in the new brick building erected for that purpose, and the improvement is noted by all patrons of the office.

School opened Monday with a larger attendance than ever before, the building will accommodate about 400 scholars, but it taxes the energy of Prof. Siders to find room for them all. It will not be long before it will be necessary for the town to erect buildings for ward schools.

At the Democratic convention held in Alliance last Saturday the following delegates were elected to attend the state convention at Lincoln on the 5th: Edward Whitlock, John O'Keefe, P. H. Zoble, Zed Goodwin, Sr., and John Keeffe. All of these gentlemen left Alliance Wednesday night. F. M. Broome accompanied the party.

At a meeting of the Racing Association held in the First National Bank Monday night it was decided to hold three days of racing, beginning on October 15. Mike Elmore, Mr. Pomroy of Sidney, and each of the saloons contributed \$50, each which insures the success of the races as no trouble will be experienced in securing the balance of the money required.

Judge Kinkaid called a special session of Court in order to renew old acquaintances, and the hard hearted lawyers rushed up there with several of the hardest cases on the docket for trial, thereby pinning the Judge down so fast that he hardly had time to leave the bench. The Judge was equal to the occasion, however, and very considerably fixed all cases in a way as to give no body an advantage to get any decision until the regular term of Court which is after election. People who get ahead of Judge Kinkaid have got to get up and dust.

Saturday night the republican caucus will be held for Alliance precinct. The scrap will be for the delegation by VanBoskirk and Phelps for clerk. It is generally recognized that any candidate securing the Alliance delegation will receive the nomination in the convention. Good feeling seems to prevail. Mr. VanBoskirk says that if Mr. Phelps is nominated he will heartily support him, and the feeling among members in both the republican and populist parties in Alliance is that none but Alliance men must be elected this fall.

From Our Exchanges.

Hay Springs Leader.

Lon Taylor made phenomenal overland trip to Hemingford on Thursday of this week. He drove one of Phil Horn's livery teams, starting from Hay Springs at six in the morning, rested two hours and returned, arriving here at seven in the evening. It was pretty close to a hundred mile drive in eleven hours.

Broken Bow Chief.

Dr. Haller brought his artistic skill into use last Saturday by making a pencil drawing of the Kundson Brothers, the train robbers, and it attracted a crowd around the Farmer's Bank windows for several days.

Billy Blair and John Painter are taking turns kicking themselves this week for letting the train robbers and the \$500 reward get away from them last Saturday night. After following them all over town and talking with them they concluded they were tramps.

Edgemont Express.

The High line engineers have pushing themselves to the front lately. G. Bardin made the run from Edgemont to Alliance, 44 miles, in 78 minutes, with a tea train of 26 cars. Fred Pickering made the run from Avelin to Rumford, some 18 miles, in 17 minutes, with an engine and several cars.

The Modern Woodmen had a big time Thursday evening and initiated nine candidates. Insurance to the amount of \$25,000 has been written up in this lodge during the last week. Several woodmen from Hot Springs came over to assist the Edgemont camp, and materially helped the candidates in their vain efforts to ride the elusive goat.

We are pleased to add the Hemingford HERALD to our exchange list this week.

The HERALD is a live democratic paper published at Hemingford, Box Butte County, Nebraska, and is the best paper published in the county.--Newcastle (Wyo.) Democrat.

After Him.

There is a "Republican-pop" at Sidney who recently refused to pay for the Transcript after taking it a couple of years. Of course he borrows it with great regularity and criticizes it in his sneaky fashion. He is one of those fellows that stops or refuses to pay because there is something in it he does not approve and does it with an air of regret that is likely to drive the publisher into bankruptcy. He reminds us of the train dispatcher who demanded an increase of salary and threatened to quit if he did not get it. The superintendent replied to his request by relating a story. "When I was a young man, I once did as you are doing. I told the superintendent what you told me. He refused my demand and I quit--and would you believe it--that d--- road is running yet." This paper is running yet and will hunt up this pops post office address when he leaves Sidney, and he will realize that we will realize on the just amount due us.--Bayard Transcript
