ed as a candidate for the Republican mitting the question of the re-locadodge more than ever. The friends of the other candidates are determined to make him go on record either for or against that free coinage substitute for the House bond bill, or to openly convict him of dodging it.

Representative Cowen, of Md., who has been elected President of the B. and O. R. R., will not take any further active part in the legislation of the House, but being a member of House committee on Banking and Currency, he will not resign until he has completed some data he has been devote his whole time to the railroad over which he has been called to preside. The democrats of the House lose a valuable man when he goes.

President Cleveland has no occugion to worry because his patriotic foreign policy fails to meet the approval of men like Senator Wolcott, of Colo., when their speeches of allegbeen from the first, solidly behind the administration, regardless of party politics, in maintaining a patriotic with foreign countries.

appropriated by Congress for the support of that department \$1,430,000. and a considerable sum will be added ment which has outgrown the one it now occupies which was quilt when
