**ITEMS OF INTEREST.**

The bones of aged persons having more lime in them than bones of young people, are therefore more brittle.

Some naturalists believe that the whale was originally a land animal, and that it fled to the water for safety.

The original civil engineer was the mole. He anticipates danger by making several exits and entrances to his abode.

Pages in congress must be over the age of twelve years and under sixteen. In the senate they receive \$1,440 a year, in the house \$1,200.

Golden hair is in much demand by the wigmakers of Paris and London that contracts for the entire supply for the next five years are recorded.

A one-legged newsboy in Buffalo serves a route of papers by whirling on a bicycle. His wooden leg is so fitted that it turns one of the pedals.

One-twelfth of the population of England suffer from gout. A Berlin physician, Dr. Fehlaner, says that this malady is often due to the excessive use of meat.

Date vinegar has been made by the Arabs for ages. It has recently been put on the English market, and the English say it is far superior to any other vinegar.

A law in Connecticut decrees that a man who has been three times convicted of crime may be classed as an habitual criminal, and detained in prison for 25 years.

Lady Burton, who died recently in England, expressed an earnest wish that, before committing her body to the grave, her doctor should pierce her heart with a needle.

Most of the railroad stations in Russia are about two miles from the towns which they respectively serve. This is a precaution against fire, as many of the Russian dwellings are thatched with straw.

A perilous feat was performed, not long since, by a bicyclist in Lyons, France. He rode his wheel over the coping stone of a house, fifty feet from the ground, in the presence of an immense crowd. The track is only two feet wide.

**ITEMS OF INTEREST.**

For forty-three years Dr. C. F. Wilgohs, of Doylestown, Ohio, has been an habitual smoker. His age is ninety-three, he is hale and hearty, and he reads without glasses.

Mrs. Francis Bergmeyer, of Canton, Ohio, is in luck. She is ninety years of age, and is cutting her third set of teeth.

An industrious old lady in Richmond, Ind., Mrs. Elizabeth Taylor, whose age is eighty-five years, still manages to maintain herself by taking in washing.

A beautiful and costly bicycle was given by a Chicago groom, to his bride, as a wedding gift. Four weeks afterward she eloped on it, her escort being an expert wheelman.

A bicyclist in Marquette, Mich., saw a small animal in his path, and as it made no effort to move, he ran over it. It proved to be a porcupine, as his collapsed tires quickly demonstrated.
