C. T. Davison was quite ill a couple of days last week.

There will be services at the Catholic church Sunday, Oct. 25.

Mr. Lewis Morgan has been under the weather for several weeks.

Attorney Tuttle is looking after his political fences in Sioux county this week.

P. Hedquist, of Dunlap, will have a public sale on Tuesday, Oct. 20th, at 10 a. m.

Miss Jessie Sweeney is the possessor of an elegant piano, a gift from her father.

Mrs. B. F. Gilman and Miss Neeland visited Miss Mann at East Point, Saturday.

Mesdames Burlaw, Herncall and O'Keefe were on the sick list the first of the week.

Frank Bevan came down from the Hills and spent a few days in town. He returned yesterday.

Mr. and Mrs. Gerber and Mrs. L. B. Fenner visited Mr. and Mrs. B. C. Fenner at Dunlap Monday.

There will be Congregational services at the M. E. church Sunday morning and M. E. services in the evening.

Miss Barbara McIntyre is going to Hemingford to learn telegraphy under Agent Copeland.—Alliance Guide.

Dr. Blanchard departed for Omaha Monday morning where he will resume his studies at the Omaha Dental University.

Messrs. Phil Michaels, W. K. Herncall and J. C. Parkin have been in the sand hills near Lake-side since Tuesday hauling hay for Mr. Herncall.

E. L. Dodder, state bank examiner, was in Hemingford Tuesday. He checked up the Box Butte Bank and pronounced it in first class shape.

Mrs. W. M. Copeland returned from Battle Creek, Mich., and is now at St. Francis Hospital, Grand Island. Mr. Copeland visited her Tuesday and reports her some better.

M. E. Gooch received a telegram Tuesday, announcing the death of his father at Owensville, Ind. Mr. Gooch resided in Hemingford several years ago and has friends here who regret to hear of his death.

Henry Lichte, of Dunlap, informs us that out of the sixty votes in his precinct Bryan will get fifty-six and that Dawes county will give him four hundred majority. The majority of the republicans in Dawes county are for Bryan.

Dr. Ely, republican candidate for state senator was billed to speak at the court house yesterday but as the McKinleyites could not scare up an audience the meeting was abandoned. Indeed it seems very difficult to have a gold bug reception with-out the assistance of the special train gang.

A. E. Sheldon, independent candidate for representative and Judge Mutz, candidate for senator, addressed the people of this vicinity at the court house Tuesday afternoon, at Lawn in the evening and at Box Butte Wednesday evening. They are both straightforward gentlemen and are making a clean, honorable campaign.

Judge Greene addressed the largest audience at Crawford Monday night that has ever assembled in that city and at the close of the meeting sixty-five new names were added to the Bryan club. The gold bugs should send Mr. Cady back to Crawford to "counteract" the work of the "anarchist."

Mr. Cady will speak at Alliance to-morrow evening and it is safe to say that the "sound money club" will not have a meeting in order to keep the railway men from hearing Cady. It is singular that when a silver man speaks in that town, the "McKinley club" or "R. R. men's sound money club" must have a meeting and request all members, especially the Bryan men to be present.

A McKinley and Bryan social was given at Edgemont Wednesday evening. It was an immense gathering, but there were only four gentlemen and two ladies for McKinley. A New York capitalist who is interested in Edgemont was present. He said that "if McKinley was elected they would invest more in Edgemont and thus improve the city," to which Mayor Sharrock replied "Edgemont will go right along just the same if McKinley was dead; I have always been a republican but I cannot stay with the party this year."

The Guide says that "Mr. Smythe stated in his speech that the Bryan dollar would be worth 100 cents and that free silver would bring prosperity, but he failed to show how" and that "the audience was made up of a large number who take no stock whatever in the 16 to 1 heresy." Bro. Paradis if you had "staid it out" you would have been "shown how" and judging from the amount of laughter and clapping of hands when you left the hall, the audience was composed entirely of those who believe in the "16 to 1 heresy."

L. B. Fenner received a letter this week from Rev. J. M. Crocker, his uncle, who is Chaplain of the Anamosa Iowa Penitentiary. Mr. Fenner never thought of Mr. Crocker voting any other than the republican ticket (and it is unusual for a republican state official to do so) but the following extract from his letter shows where he stands:

"The discussion of the platform has established the fact by the testimony of its enemies that the monetary plank in that platform is a declaration favorable to the farmer. But the ballot box is the arsenal from which every sentiment must be "armed" to be affective, and it remains to be decided whether the farmers will not help to crucify themselves at the polls. My hope and prayer is that the Lord of host will preside over the destiny of this nation in the coming election; and that the Abraham Lincoln of the white race may be our next president. If William J. Bryan is in the chair of the executive of this nation it will be official notice to the wide world that the republic has not abdicated in favor of a Plutocracy and that THE GOVERNMENT AT WASHINGTON LIVES"

Strayed.

Mr. D. Eberly lost a valuable mare a while ago. Mr. Eberly seems to have hard luck, as he has lost several head this summer.

## Three Opinions:

"The CHICAGO RECORD is a model newspaper in every sense of the word."—Harrisburg (Pa.) Call.

"There is no paper published in America that so nearly approaches the true journalistic ideal as The CHICAGO RECORD."—From "Newspaperdom" (New York).

"I have come to the firm conclusion, after a long test and after a wide comparison with the journals of many cities and countries, that The CHICAGO RECORD comes as near being the ideal daily journal as we are for some time likely to find on these mortal shores."—Prof. J.
