CURE CONSUMPTION.

T. A. Slocum, M. C., the Great Chemist and Scientist, Offers to Send Free, to the Afflicted, Three Bottles of His Newly Discovered Remedies to Cure Consumption and All Lung Troubles.

Nothing could be fairer, more philanthropic or carry more joy in its wake than the offer of T. A. Slocum, M. C., of 183 Pearl street, New York City.

Confident that he has discovered an absolute cure for consumption and all pulmonary complaints, and to make its great merits known, he will send, free, three bottles (the Slocum new system of medicine) to any reader of the Herald who is suffering from chest, throat and lung troubles or consumption.

He invites those desirous of obtaining the remedies to simply send him their express and postoffice address, and receive in return the three free bottles.

Already this "new scientific course of medicine" has permanently cured thousands of apparently hopeless cases.

He considers it his religious duty—a duty which he owes to humanity—to donate his infallible cure.

Offered freely, apart from its adherent strength, is enough to commend it, and more so is the perfect confidence of the great chemist making the offer.

He has proved consumption to be a curable disease beyond any doubt.

There will be no mistake in sending—the mistake will be in overlooking the Doctor's generous invitation. He has on file in his American and European laboratories thousands of testimonials of experience from those cured, in all parts of the world.

Delays are dangerous; mail your address to T. A. Slocum, M. C., 183 Pearl street, New York, and when writing the Doctor, please mention reading this article in THE HERALD.

Comfort to California.

Every Thursday morning, a tourist sleeping car for Salt Lake City, San Francisco and Los Angeles leaves Omaha and Lincoln via the Burlington Route.

It is carpeted; upholstered in rattan; has spring seats and backs and is provided with curtains, beddings, towels, soap and etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast.

While neither as expensively furnished nor as fine to look at as a palace sleeper, it is just as good to ride in. Second class tickets are honored and the price of a berth, wide enough and big enough for two, is only \$5.

For a folder giving full particulars, call at the nearest B. & M. R. R. ticket office. Or, write to J. Francis, Gen'l. Pass'r Agent Burlington Route, Omaha, Neb.
