 Mr. Johnson expects to stay a
 couple of weeks. Mr. Wildy
 will return Monday.

C. A. Holbrook and wife from
 near Hemingford, were patroniz-
 ing merchants in the best town of
 the county Tuesday.

The above item from the Alli-
 ance Times is misleading. Dr.
 and Mrs. Holbrook say that the
 only trading they did last Tues-
 day was in Hemingford. This
 explanation, however, makes the
 item correct wherein it refers to
 the "best town of the county."

I. E. Tash, H. R. Green, L. R.
 Corbin, E. P. Sweeney and R. W.
 Montgomery were the delegates
 who represented Box Butte
 county at the republican state
 convention, held at Lincoln
 Wednesday. Mr. Tash did not
 receive the nomination for land
 commissioner but he was second
 and doubtless would have been
 nominated only that Judge Baker
 was defeated for governor and
 Douglas county demanded some-
 thing. Williams of Omaha was
 nominated for commissioner.

The Republicans of Box Butte
 county will hold their county
 convention at Alliance on Satur-
 day Aug. 20, at 1 p. m. The
 precinct caucuses will be held on
 Tuesday Aug. 16, at the usual
 place at 2 p. m; the representation
 will be the same as at the last
 convention. At the convention
 a candidate for County Attorney
 will be nominated and five dele-
 gates be selected to attend the
 congressional, senatorial and
 representative conventions. Also
 a commissioner from the 1st
 district will be nominated.

The postoffice department has
 issued an order prohibiting the
 postmaster from forwarding any
 second, third or fourth class mail
 that may be received at his office
 in the mail-bag. This means that
 when a man changes his location,
 nothing but first-class letters will
 follow him, and if he wants his pa-
 pers or magazines, he must notify
 the publisher or prepay the postage
 before such periodicals can be
 forwarded to his address. This
 may cause annoyance in some in-
 stances, but the new ruling will
 stop the "postage due stamp" nu-
 isance. The mails are loaded
 every day with tons upon tons of
 papers, catalogues, price-lists, etc.,
 and forwarded from one office to
 another in search of the addressee,
 until finally, if the owner is found,
 it is refused and consigned to the
 waste-basket. If it is borne in
 mind that railroads receive liberal
 pay for every pound of mail car-
 ried by them, it takes no stretch
 of the imagination to say that the
 new ruling will save several
 thousand dollars for the postal ser-
 vice every day of the year.

The following is the state

**SPEND AUGUST IN THE
 BLACK HILLS.**

Go first to Hot Springs. There
 you can bathe, ride, bicycle, climb
 mountains, dance and play tennis
 to your heart's content. If your
 limbs are stiff, your kidneys out
 of order or if you are troubled
 with eczema or any other form of
 skin disease, a month at Hot
 Springs will make a new man of
 you.

Sylvan Lake and Spearfish are
 within a comparatively short
 distance of Hot Springs and
 every one who visits the Black
 Hills should see them. Sylvan
 Lake is the prettiest and coolest
 summer resort in the west.
 Spearfish is reached after a rail-
 road ride that ranks among the
 experiences of a life time. There
 is nothing like it anywhere else on
 the globe.

During August, the Burlington
 Route will run two low-rate ex-
 cursions to Hot Springs; one on
 the 9th, the other on the 26th,
 of that month. Tickets will be sold
 at one fare for the round trip—
 HALF RATES—and will be good to
 return any time within 30 days.

Organize a party. Arrange
 your hotel accommodations at Hot
 Springs. Get your tickets from
 the Burlington agent and pass the
 most delightful month in the year
 in the most delightful summer-
 land on the continent.

 linda, Neb., about July 4th, 1898,

A Lawyer's Breach of Confidence.
 A queer case is reported from Sydney,
 Australia. A man was convicted by a
 jury of having tried to poison his wife
 with arsenic. His lawyers obtained a
 reconsideration of the sentence by a
 commission appointed by the legisla-
 ture, consisting of two doctors and a
 lawyer, which pronounced him inno-
 cent, the doctors voting down the
 lawyer, who thought him guilty. The
 man was set free in consequence. Sub-
 sequently one of his lawyers, moved
 by conscience, told another mem-
 ber of the bar that the man
 had confessed his guilt to him at the
 time of the trial and the matter was
 brought before the legislature. Law-
 yers and clients have been arrested
 and are to be prosecuted for conspi-
 racy to defeat the ends of justice. Com-
 munications between lawyer and client
 are apparently not privileged in Aus-
 tralia.

Betting on the Races.
 The big trotting-horse people in Bu-
 falo and western New York, including
 C. J. Hamlin, are said to be preparing
 to make a determined movement this
 year to secure a moderation, or, possi-
 bly, the abolition, of the present anti-
 betting laws of the state. The un-
 successful grand council meeting of last
 summer will be set off as an argument
 that it will be impossible to conduct
 trotting meetings profitably without pool
 selling of some sort. These interests
 are powerful ones, and if banded to-
 gether would make a strong fight.

God's Will.
 Since God doth will that some shall
 dwell at ease,
 And others shall know hardness, this
 is sure,
 The lot that fits each nature He for-
 sees;
 And wherefore murmur when we
 must endure?
 Some day His loving wisdom will be
