DIED.

COFFMAN—Sarah Katherine Coffman, of Mason City, Sunday afternoon, May 13th, 1899, at 2 o'clock, of heart disease, age 19 years, 6 months and 10 days.

The deceased is the youngest daughter of Mr. and Mrs. H. T. Coffman, of Mason City, Nebr. She was a native of the state, was born in Howard county in 1879, and came to this county about sixteen years ago with her parents, who located near Mason City, where they have since resided. Two years ago she was converted and united with the Baptist church, of which she has since been a faithful member, remaining true to her Saviour to the last. The funeral was conducted from the residence of her parents Wednesday afternoon, by Rev. J. S. Hadden, of this city. Her church and Sunday School decorated her coffin elaborately with wreaths of flowers and bouquets. A touching scene was made at the grave by her Sunday School classmates marching by the open grave, and depositing upon the coffin in which the remains of their friend was laid, bouquets of flowers. The funeral was very largely attended, there being forty buggies and wagons in the procession from the house to the cemetery. The parents have the sympathy of the community in their sad bereavement.

MILLINERY OPENING.

Miss Liggett, who has recently relocated in the city, has put in a complete line of millinery goods. Saturday, May 20th, the store will be open, and a cordial invitation is extended to the ladies to call and inspect her goods. The goods are all new and of the latest styles. She has a nice line of pattern hats, which you should see before purchasing. Location, in the Hartley room, Realty block, south side of square.

STILL AFTER THEM.

The city authorities are still trying to prohibit the sale of intoxicants in the city. Tuesday city attorney Ledwich issued another warrant for the arrest of W. D. Cole, druggist of the Crystal Drug store. In searching the marshal only found two quart bottles of whiskey. The prisoner was taken before Judge Armour, where he was required to give bond in the sum of \$300, for his appearance May 20th.

Notice.

All parties who signed the list for tickets to the Alba Heywood show, are notified that reserved seat tickets will go on sale at the P. O. store and at Wilson & Drake's on Wednesday morning, May 24th. On this date only those who are on the list can procure tickets. On the following day the reserved seat sale will be open to all.

S - use of the corn is coming up in this locality. Charley Bowen spent last Saturday and Sunday at home, but started away again on Monday.

Rather a dry time for items, as every one is at work and too busy to talk. The fall rye seems to be winter killed pretty badly.

THE PRODIGAL'S RETURN.

Said he to his friends, O ye, I must go so he saddled and bridled his horse just so; Then mounted and started with a tear in his eye, And slowly he rode 'til a neighbor passed by. When once through the gate and mounted once more, He dashed off at a speed ne'er seen before; And says he to himself, I'm started at last, For God I'm bound, for the home of the past.

Then the sorrowful friends he had left behind Complained of his going, but tried not to mind; As the table they surrounded they said, what a sinner, To leave in such haste, not waiting for dinner.

So they mourned and they waited, expecting to hear Of him getting to Red Cloud, not thinking him near. When he and behold on Sunday he came tiding back to his friends, who were glad just the same.

Then of all the queer questions that ever were asked, How were the people at Red Cloud, how were the crops that you passed? But pleasant and smiling, he answered them all, And we believe he was glad to be within call.

The Greater America Exposition,

Which will open at Omaha Neb July 1st and close November 1st 1899, will be the most unique as well as the most successful Exposition that has ever been held in the United States. The opportunity for special features which recent conquests have given the management, will be utilized to the fullest extent. In addition to the regular features, such as exhibits of all of the industrial interests of the country agriculture, mining and arts, there will be a most complete collection of war relics, direct from the seat of war, which will be of great interest to all. An exhibit that will especially appeal to the people in general, will be the colonial exhibits from the Philippines, from Cuba and from Hawaii. Not only the representative people from these islands will be at the exposition, but they will be placed before you in their own habitations, just such as they live in, in their own countries, surrounded by tropical plants and trees, such as you would find were you to visit these faraway islands. Even more excellent musical talent has been secured than last year, among them being London's best band.

Rev. Ferguson will preach the sermon to the graduating class, in the M. E. church next Sunday morning at 11 o'clock.

We are in receipt of the program for Decoration services at Merma May 30th, but for lack of time to see it we can not run it in this issue. We will publish it next week.
