Where? At my door. At the Eagle Grocery. What in the world is it, my dear? It is at the Eagle Grocery, a mammoth stock of Groceries, and at the lowest prices you ever heard of. The Eagle has been reading the papers and keeping posted on what was being offered for sale. They don't say anything about Terbacker and Candy, and other good things like that. It is not pickle dishes you want now, it is Candy. The Eagle has 2,000 pounds of candy for sale cheap. Christmas committees are invited to call and get my prices. Remember the place, on the big corner, just east of First National Bank.

**THREE DOCTORS IN CONSULTATION.**

From Benjamin Franklin.  
When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken.  
When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by all druggists.
