

A pound party was given by the members of the Christian church at the beautiful new home of Mr. and Mrs. Ryerson on last Friday evening in honor of Rev. McDonald and wife. The people began to arrive at an early hour and by 8 o'clock there was about 115 people present, when a young couple was delegated to go and inform Mr. and Mrs. McDonald that there was a couple at Mr. Ryerson's house that wished to see them at once. We do not know just what this couple told them, for they put on their best clothing as though they expected to have a wedding. But they were greatly surprised when they arrived to find the members of the church gathered there. To say that the people enjoyed a very pleasant evening is putting it very mildly. Mr. and Mrs. McDonald received many very useful presents. Mr. J. C. Moore made the presentation speech, which was responded to by Mr. and Mrs. McDonald in a very able manner. **A Sure Sign of Croup.**  
Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlin's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared; it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and it is pleasant to take.
