

Mr. Moody knew his Bible so well that his eyes and fingers could find any passage that he wanted, from Genesis to Revelation, in the hurry of rapid speech, as easily as the fingers of a master musician can find the notes of a familiar sonata on the keyboard of a piano.

One of the new ideas for home decoration is the violet tree. It has been taken up with much eagerness by the New York women of society.

I Am Not a Bald Head

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and am glad to say that it brought my hair back again and I am not today obliged to be classed among the bald-heads."
—W. D. Quinn, Marselles, Ill., Aug. 25, 1899.

Makes Hair Grow

One thing is certain.—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. If it were a hair stimulant simply, it could not do this. You must have food to live; stimulants cannot take its place. Ayer's Hair Vigor feeds the hair and it grows. It could not do differently, for it's Nature's plan. It stops falling of the hair, too, takes out all dandruff, and always restores color to gray hair.

Write the Doctor
If you do not obtain all the benefits you desire from the use of the Vigor, write the Doctor about it. He will tell you just the right thing to do, and will send you his book on the Hair and Scalp if you request it. Address:
Dr. J. C. Ayer, Lowell, Mass.

Charles Palmerston Anderson was consecrated Bishop-coadjutor of the Episcopal diocese of Chicago by Bishop McLaren, assisted by Bishop Gillespie of Western Michigan and bishop Seymour of Springfield, Ill. The ceremonies were conducted at Grace church, Wabash avenue and Fourteenth street, in the presence of an immense congregation of laymen and most of the leading dignitaries of the Episcopal church in the western and middle states.

Majority Against the Ministry.
VICTORIA, B. C., Feb. 26.—The Semlin-Coton government, which replaced the Turner administration in British Columbia local politics in 1898, was yesterday defeated by one vote on the redistribution measure, upon which it was intended to go to country. FOR MIDDLE-AGED WOMEN.

Two Letters from Women Helped Through the "Change of Life" by Lydia E. Pinkham's Vegetable Compound.
"DEAR MRS. PINKHAM:—When I first wrote to you I was in a very bad condition. I was passing through the change of life, and the doctors said I had bladder and liver trouble. I had suffered for nine years. Doctors failed to do me any good. Since I have taken Lydia E. Pinkham's Vegetable Compound, my health has improved very much. I will gladly recommend your medicine to others and am sure that it will prove as great a blessing to them as it has to me."—MRS. GEO. H. JUNE, 901 DeKalb Ave., Brooklyn, N. Y.

Relief Came Promptly
"DEAR MRS. PINKHAM:—I had been under treatment with the doctors for four years, and seemed to get no better. I thought I would try your medicine. My trouble was change of life, and I must say that I never had anything help me so much as Lydia E. Pinkham's Vegetable Compound. Relief came almost immediately. I have better health now than I ever had. I feel like a new woman, perfectly strong. I give Lydia E. Pinkham's Compound all the credit, and would not do without her medicine for anything. I have recommended it to several of my friends. There is no need of women suffering so much for Mrs. Pinkham's remedies are a sure cure."—MARIALA BUTLER, Bridge-water, Ill.

Sage's Opinion.
Russell Sage says the Boer war is a good thing for the commerce of this country. He said to a New York newspaper man the other day that the war "is emphasizing the independent position of this country in the money markets of the world. The longer that war lasts the more benefit this country will derive. It is estimated that the war is costing over \$1,000,000 a day in destruction of property and financial waste."

THE CENTAUR COMPANY, NEW YORK CITY.

The frankness as well as the most comprehensive and statesmanlike view yet published of our foreign policy is that of the Hon. Richard Olney, to appear in the March Atlantic Monthly. It is marked by Mr. Olney's power of trenchant and compressed expression, yet it is also moderate and far-seeing. The recent movement among Indiana Democrats to nominate Mr. Olney for the Presidency gives additional interest to this paper.

The French government has just ordered ten locomotives from this country.

Mr. Ernest Seton-Thompson, the author of "Wild Animals I Have Known," and whose "Biography of a Grizzly" will soon be published by The Century Co., has written for The Century Magazine several articles on "The National Zoo" at Washington, the first one of which will appear in the March number, with illustrations by the author. Mr. Seton-Thompson, in this article, will make a powerful plea for the preservation of wild animals now threatened with extinction. He raises a question as to whether domestic animals have not been of more value to mankind than human inventions.

MILLIONS OF WOMEN USE CUTICURA SOAP exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes, for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated or toilet soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet and BEST baby soap in the world.
