ARE READY FOR PEACE

Propositions Reported to Have Been Received by England's Prime Minister.

UNCONDITIONAL SURRENDER ONLY

Rejoicing Over Making Become Riots in United Kingdom—Crowd Breaks Up Anti-War Meeting—Millia Called Out at Aberdeen to Clear the Streets.

LONDON, May 21.—Displayed in the most conspicuous style in the Daily Express in the dominant war news of the morning is the following:

"We have the best reason for stating that in the last twenty-four hours a telegram has been received at the foreign office, addressed personally to the prime minister, from President Kruger, proposing terms of peace.

"The exact terms of the message cannot be stated, but we believe it is couched in an exceedingly humble strain."

It is not conceivable, of course, that Lord Salisbury can have sent any reply except the one that stands ready on the lip of every Briton—unconditional surrender.

The boisterous rejoicings over the news from Mafeking have become riots in parts of London, Aberdeen and Belfast and elsewhere in the United Kingdom. In the Finchley district of suburban London a mob stoned the railway stationmaster's house and smashed the windows of a draper's shop, setting the building on fire also, although, whether by accident or by design it is not known. Clerks were injured. The house of a Boer sympathizer at Hareton was attacked by a large crowd and the windows were shattered. The police charged the mob and were greeted with a shower of decayed eggs. Numerous arrests were made and the police reserves were called out.

Rioting took place in Aberdeen from 7 to 10 o'clock Saturday evening around a hall where a "stop the war" meeting was being addressed by Mr. Cronwright-Schreiner, husband of Olive Schreiner. A crowd of students and others tried to storm the hall and to break down the doors. The foot police were unable to cope with the disturbers and sent for the mounted police, who made some headway with the crowd, but free fights occurred between the supporters of the meeting and the crowd and the Royal infirmary nearby was kept busy dressing the wounds of combatants, caused by stones, bricks and clubs. A number of arrests were made and finally the chief magistrate ordered the chief constable to call out the militia. The Gordon Highlanders from the Castle barracks then cleared the streets. Within the hall the opponents of the promoters of the meeting practically broke it up and carried an amendment of the principal resolution. The residence of Rev. Alexander Webster, where Mr. Cronwright-Schreiner stayed, was damaged.

Boer sympathizers stoned a procession of shipyard employes at Belfast and there were some disorders in Birmingham.

At Dover, the business establishment of J. Brown, a local member of the Chamber of Commerce, was wrecked by a mob. The police were unable to cope with the disturbance and the local militia and volunteers were called out. The rioting was continued until the army was called upon to suppress the mob. The windows of buildings adjoining Brown's were smashed. Numerous arrests were made.

Special prayers of thanksgiving were offered yesterday in the churches of the United Kingdom. The lord bishop of London, Dr. Mandell Creighton, who preached before the queen at Windsor, alluded to the relief of Mafeking and clergymen generally found in the event their topic for the day.

Details of the relief are still wanting. The British military authorities being without dispatches, Lord Roberts wired that he knows of relief only through a press agency. Lord Lansdowne, however, announces that the war office expects news today.

WILL REFUSE TO VOTE.

What the Democratic Union Party in Havana Says.

HAVANA, May 21.—The organizing committee of the democratic union party conferred today with the presidents of the local committees and reached a unanimous decision to recommend that the members of the party abstain from voting at the coming elections. A manifesto will shortly be issued giving the reasons for this step.

The party leaders contend that the election preparations are being carried out in such an unfair way as to make it impossible for the opponents of those in power to get a hearing. Thus rendering the whole thing a farce. On the other hand it is asserted that the real motive underlying this action is the conviction of the leaders of the democratic union party that, as the Spaniards will refuse to vote, the party has no hope of success.

Peace Party in Pretoria.

LONDON, May 21.—There is a lack of fresh news from South Africa this morning, but details of past operations tend to confirm the view that the end of the war is within measurable distance. From Kroonstad comes a story attributed to excellent authority to the effect that a peace party is being formed at Pretoria, while reports from Pretoria itself indicate discouragement at the recent reverses and the possibility of an early suing for peace.

Prof. White Murdered.

PHILADELPHIA, May 21.—Prof. Roy Wilson White, 28 years of age, an instructor in the law department of the University of Pennsylvania, was struck down and brutally murdered late last night, near Thirty-second street and Powellton avenue. Prof. White left the university at 10 o'clock last night for the Powellton avenue station of the Pennsylvania railroad to board a train for Germantown, a suburb. Shortly before 11 o'clock he was found in an unrecognizable part of Thirty-second street. His skull had been crushed, evidently by an iron bar.

ENVOYS GO TO WASHINGTON.

Met in New York by Senator Allen and Others.

NEW YORK, May 21.—The Boer delegates left for Washington Saturday. The committee appointed by the citizens of Washington to escort the visitors to the national capital arrived in New York quite early and after breakfasting at the Pennsylvania railway station drove to the Hotel Manhattan, where they were received by the envoys.

The delegation is composed of Senator Allen and Congressman Robinson of Nebraska, Representatives Rigely of Washington and Cornelius Vanderhoop of Baltimore. After they had been introduced to the Boer delegates Mr. Sulzer formerly invited them to Washington, and Mr. Fischer made a brief response. Mr. Sulzer in the course of his remarks said:

"We want to assure you of our hearty sympathy for your liberty-loving people in their grand struggle for freedom."

Senator Allen assured the envoys that they had the sympathy of 98 per cent of the American people.

Mr. Vanderhoop invited the envoys to visit Baltimore at the termination of their Washington visit. The invitation was accepted conditionally.

Delegate Vessels, speaking with reference to the published report that the envoys are in this country under the auspices of the Boer National Relief association, said:

"The envoys are not here under anybody's auspices. They come with credentials from the Transvaal and Orange Free State."

DEWEY WILL SURRENDER.

Dispatch Says He is Willing to Give Up Entire Command.

LONDON, May 21.—A special dispatch from Kroonstad says that General Dewey has sent word that he is prepared to surrender conditionally with his entire command.

LONDON, May 21.—11:55 p. m.—The War office has announced that Lord Roberts has not yet received official information of the relief of Mafeking.

The following is the text of Lord Roberts' dispatch:

"KROONSTAD, May 20.—3 p. m.—No official intimation has yet been received, but Renter states that the relief of Mafeking has been effected."

Rundell reports having occupied Pretoria's fort, Tzamel and Clovelan, the enemy falling back on Senekal and Ficksburg. Fifty rifles and 3,000 rounds were surrendered by the Free States to a battalion of yeomanry working along the telegraph line from Boshof to Bloemfontein. A field cornet and eight burghers surrendered at Boshof yesterday.

"While at Hoopstad Methuen secured 250 rifles and between 400,000 and 500,000 rounds."

Troubles of Havana Teachers.

HAVANA, May 21.—Senator Vanora, secretary of public instruction, has written to General Wood that the recent order directing such teachers as are not to be included in the trip to the United States to attend Normal school for a month at the capitals of their respective provinces will be a source of great inconvenience to many, owing to the cost of travel, and, in many cases, to the defective means of transportation.

He points out also that in numerous instances the experience would be quite beyond the teachers. And he recommends that wherever a teacher can give a good excuse this be accepted. Objections are also raised that women teachers would find it more difficult than the men to comply with the order, especially in view of the embarrassment that he woman teacher would feel in going to a strange town for a month unless she had friends there.

HARRISON WITHDRAWS.

Will Not be a Candidate for Governor of Illinois.

CHICAGO, Ill., May 21.—Colonel John I. Martin, sergeant at arms of the democratic national committee, came here today to consult Secretary Walsh of the national committee regarding plans for the approaching convention at Kansas City.

"I have decided to refer the naming of my assistants, special officers, ushers and doorkeepers to a considerable extent to the national committee and the state committees," he said. "No one need be apprehensive about the convention hall not being in readiness. The work is at least ten days ahead of time now."

Rest in Postal Investigation.

HAVANA, May 21.—Today was the first time since the discovery of the postal frauds that any relaxation has taken place in the work of investigation, but all concerned felt that a rest was necessary, the work having often been carried on until, after midnight, and the investigators barely taking the time needed for meals. Consequently the investigation was practically untouched today, although most of the inspectors spent some hours at the central office.

Americans Again Ambushed.

MANILA, May 21.—Five hundred insurgents, half of whom were armed with rifles, ambushed eighty scouts of the Portieth volunteer infantry in the hills near Agusan, on the northern part of Mindanao.

The Americans routed the natives, killing fifty-one.

The American casualties were two killed and three wounded.

Prospects in South America.

WASHINGTON, May 21.—In reply to inquiries regarding the possibilities of manufactures in Central and South America, the United States consular officers in the principal cities, at the instance of the state department, have prepared and submitted reports on the subject. The consuls unanimously agree that from a number of causes the profitable manufacture of ice in the countries of South and Central America is anything but encouraging and at present is distinctly unfavorable.

MONTANA SENATORSHIP

Gov. Smith Ignores the Appointment Made by the Lieutenant-Governor.

NAMES MR. MAGINNIS FOR PLACE

Charges Fraud in Method of Appointing Clark to Succeed Himself—Protest is Wiped to Washington—Smith Asks That Senate Proceed With Consideration of the Case.

HELENA, Mont., May 19.—Governor Smith this afternoon appointed Martin Maginnis United States senator to succeed William A. Clark.

Maginnis represented Montana in congress in the early days of the territory. He is not allied with either democratic factions and has always been a strong party man.

Governor Smith says that the resignation of Senator Clark was written in April and that the date that it now bears, May 11, was the result of the error of the original date, which can easily be proved by examination of the document. He also alleges that the resignation was in the possession of Charles A. Clark, son of the senator, for several weeks.

In carrying out the plot, it is charged misrepresentation and other devious methods were used to get the governor out of the state.

Governor Smith today sent dispatches from Butte to senator W. A. Clark, Senator Chandler, chairman of the committee on privileges and elections, and Senator Frye, president of the senate, saying he had disregarded and revoked the action of Lieutenant Governor Spriggs in naming Clark to succeed to the vacancy by his own resignation, and saying he had named Martin Maginnis of Helena to fill the vacancy. The dispatches are practically the same, that to Clark reading:

"I have this day disregarded and revoked your appointment as United States senator made by Lieutenant Governor Spriggs on the 15th inst., as being tainted with collusion and fraud, and have this day appointed Martin Maginnis to fill the vacancy caused by your resignation."

"I shall prove by my conduct in the future," he concluded, "that I was not guilty of any wrongdoing or any idea of wrong."

Miles Finlen is one of the democrats in the legislature who voted against Clark.

WASHINGTON, May 19.—The senate committee on privileges and elections has directed Chairman Chandler to press action on the Clark resolution as originally reported.

The following dispatch was received and read to the committee from Governor Smith, dated Butte, Mont., May 17:

"Hon. W. E. Chandler, Washington: I desire to present in as forcible a manner as possible my protest against the course pursued by Hon. W. A. Clark in attempting to defeat the action of the senate of the United States upon the resolution presented by the committee on privileges and elections affecting his title to a seat and to protest against the methods pursued by him in securing an appointment at the hands of the lieutenant governor during my absence from the state under circumstances and conditions which to my mind indicate collusion and fraud."

"His conduct in attempting a resignation and procuring a reappointment under the conditions as he did, if the matter were before a court of justice, would have been considered a contempt of court on his part. I therefore trust that the committee and the senate will proceed to a proper and complete consideration of the question, so that the rights, not only of Mr. Clark, but of the state of Montana, in the premises may be determined, and that upon the presentation of his credentials of appointment by the lieutenant governor the same be transferred to the committee on privileges and elections for investigation, and that I be permitted to make a more complete and detailed statement of facts concerning the resignation and appointment of Mr. Clark."

The language of the resolution of the committee directing Chairman Chandler to press the resolution as reported follows:

"Resolved, That the chairman be directed to press to a vote the resolution reported to the committee."

REPORT ON JAPANESE LABOR.

Secretary of Treasury Sends Response to the Resolution of Senate.

WASHINGTON, May 19.—In response to the senate resolution of the 16th inst. the secretary of the treasury today sent to the senate a statement from the commissioner general of immigration concerning the immigration to the United States of Japanese laborers.

From this statement it appears that 2,230 of these laborers arrived in 1898, 3,395 in 1899 and for ten months ending April 30, 1900, 7,181. These figures indicate only those who have come direct to the United States from Japan, but do not embrace those reaching this country via Canada. How many there are coming in this way the department does not know, but the commissioner expresses the opinion that the number is large. The opinion is expressed that there will be a large increase in the coming year. He also states that strict examination is made to prevent the entrance of laborers under contract.

PROCLAMATION OF AGUINALDO.

Urges Filipinos Not to Surrender at Instigation of Commission.

MANILA, May 19.—A proclamation purporting to have been issued by Aguinaldo and dated May 4, from Pillo Island, one of the Philippine group east of Luzon, is circulating in Manila. It says the commission appointed by President McKinley was appointed without the authorization of congress and that hence it cannot treat officially. It urges the Filipinos not to surrender their arms at the instigation of the commission and on promises which congress may not ratify, and also urges the Filipinos to enthusiastically welcome the commission when it arrives in the towns and provinces, asking boldly for the form of government they most desire, as the Americans permit of freedom of speech.

The proclamation closes with asking the Filipinos to strive for liberty and independence, and again warns the commission against deception.

In the Catarama fight, island of Samar, May 1, about 700 of the enemy attacked the men of the Forty-third infantry. The Americans killed 309 of the rebels by actual count. Only three Americans were wounded.

Major John C. Gilmore and 100 men of the Forty-third regiment were ambushed May 6 near Pamunggan, Samar. Seventy-five of the enemy were killed and there were no Americans casualties.

The transport Lennox has returned here after landing four troops of the Eleventh cavalry to reinforce Colonel J. F. Bell. Two troops, Major Hugh T. Sime commanding, were landed at Legaspi and proceeded across the country to strengthen the garrison at Lingao. They found numerous entrenchments manned by insurgents between the towns and were two days on their way, skirmishing, dismounted continually. Their only loss was three horses. The officers report that they killed forty insurgents, but the natives declare eighty were killed.

BRYAN'S FRIENDS IN NEW YORK.

Contesting Delegation if Regulars Are Not in Line.

NEW YORK, May 19.—M. G. Palmer, one of the leaders of the Chicago platform democracy, which will hold a state convention tomorrow, outlined the program:

"It is our purpose," he said, "to reaffirm the Chicago platform, add to it planks on anti-imperialism and trusts, call on the regular democratic state convention to instruct its delegates to vote for Mr. Bryan and then adjourn until June 6. If the regulars do not instruct for Mr. Bryan at the Academy of Music convention on June 5, we will meet again and send a contesting delegation to Kansas City."

"There will be 300 delegates from all parts of the state at our convention tomorrow and they will represent true democracy. We do not propose to insure the reaffirmation of the Chicago platform and the renomination of William J. Bryan."

Seeking Cadetships.

WASHINGTON, May 19.—In anticipation of the passage of the army reorganization bill the War department is being flooded with applications from persons who seek appointments to additional cadetships created by the act. Provision is made in the bill for 100 cadets in addition to the present strength of the cadet corps. It is not specifically stated in the bill that nominations for these places are to be made by senators, but the War department will proceed upon the theory that such is the intent of the bill and each senator will be allowed to name one cadet at the academy. He will not be entitled to appoint a cadet annually, but only to make a nomination, whenever there shall be a vacancy within his control.

The action of the Central Trades and Labor union is not decisive. Before a general strike can be called it will be necessary for the delegates at the meeting last night to report to their unions. Each union will then vote on the question, and only those unions whose members vote to strike will walk out if the call comes.

SEE TO THE WALLS.

A Danger in Schoolrooms and How to Prevent It.
Owing to the gathering of so many different classes of persons therein, the interior walls of churches, school-houses, hospitals, etc., are apt to become repositories of disease germs unless preventive measures are taken. These walls should always be coated with a clean and pure cement, such as Alabaster, which is disinfectant in its nature and more convenient to renew and retint than any other wall coating. The first cost is no greater than for inferior work, while renewals are more easily and cheaply made.
