

# MISERABLE

You're not feeling just right this spring, are you? Somehow, you haven't your old-time strength, cannot take hold of things with your usual push and energy. You just drag around, fairly well one day, not so well the next. You are wretched, disconsolate, discouraged; you are miserable.

## That's Nerve Poverty

To be rich in nerve power you should take a good spring medicine, something that will give you pure and rich blood. A perfect Sarsaparilla will do this every time; not a cheap Sarsaparilla, not one that promises you a great deal of bulk for your money; but a highly concentrated Sarsaparilla, one that has more cure in it than any other Sarsaparilla in the world.

## BOERS HAVE PRETORIA

British Troops Will Have to Fight to Get Possession of the City.

### ROBERTS' IS AT JOHANNESBURG

Union Jack Placed Over Government Building Thursday Afternoon—Hot Fighting Precedes Its Capture—Roberts Gives No Figures, but Says Goredons Sustained Most Casualties.

LONDON, June 1.—The following dispatch from Lord Roberts has been received at the War office here:

"JOHANNESBURG, May 31.—2 p. m.—Her majesty's forces are now in possession of Johannesburg and the British flag floats over the government buildings."

The War office has from Lord Roberts a dispatch dated Germiston, May 30, 9 p. m., saying: The brunt of the fighting yesterday fell upon Ian Hamer's force for the sale of tickets. Fred already mentioned, to work around to the west of Johannesburg in support of French's cavalry, which was directed to go north near the road leading to Pretoria. I have not heard from French yet, but Hamilton, in a report, which has just reached me, states that about 1 o'clock in the afternoon he found his way blocked by the enemy, strongly posted on some kopjes and ridges three miles south of the Rand. They have two heavy guns and several field guns and pom-poms. Hamilton forthwith attacked.

The right was led by the Gordons, who after capturing one extremity of the ridge wheeled around and worked along it until after dark, clearing it of the enemy, who fought most obstinately. The One Hundred and Fourth led on the other flank and would not be denied. The chief share in the action, as in the casualties, fell to the Gordons, whose gallant advance excited the admiration of all.

Lord Cecil Manners, son of the duke of Rutland, and who is acting as a newspaper correspondent, was among the prisoners captured by the Boers during Lord Roberts' advance May 29. The Westminster Gazette says it is rumored in a quarter likely to be well informed that President Kruger has been captured by the British six miles beyond Pretoria.

The War office here knows nothing about the reported capture of President Kruger. At last accounts Kruger was at Watervalboven, 130 miles from Pretoria.

Related messages from Pretoria confirm reports of the departure of President Kruger with his cabinet and staff officials Tuesday night and the selection at a meeting of a citizens' committee to administer the city provisionally.

Since this telegram left on Wednesday nothing apparently has reached Lourenzo Marquez by telegram from Pretoria. Possibly the wires have been cut. Possibly the Boer censorship at some intermediate point intercepts telegrams.

Although the War office has not received a word about it no one in London harbors the idea that the Boer capital is not already in the hands of the British or about to be there.

The possession of Johannesburg, at all events, as Lord Roberts has telegraphed, is a fact. State's Attorney Smuts did not depart with President Kruger, but remained in Pretoria.

### MAKE IMPORTANT CAPTURE.

War Department Receives Report of Actions in Philippines.

### Was a Wyoming Man.

WASHINGTON, D. C., June 1.—Captain Charles D. Roberts of the Thirty-fifth volunteer infantry, who with two of his men has fallen into the hands of the Philippine insurgents near San Miguel de Mayamo, Luzon, is a son of Lieutenant Colonel Cyrus S. Roberts, Thirteenth infantry. He was born in Dakota in 1873 and was appointed to the army from Wyoming. It is believed at the War department that the insurgents will endeavor to hold these captives for ransom, but the army will endeavor to run them down and recapture the men.

## SENATE AIDS ST. LOUIS FAIR.

Effort to Cut Down Five Million Dollar Appropriation Fails.

WASHINGTON, June 1.—At the conclusion of a session lasting eight hours the senate this evening passed the sundry civil appropriation bill, which has been under consideration for nearly a week. The amendment providing for an appropriation of \$5,000,000 for the Louisiana purchase exposition to be held in St. Louis in 1903 was continued in the bill. An effort was made by Senator Morgan to reduce the amount to be appropriated to \$3,000,000, but it was unsuccessful.

An amendment was incorporated providing for the beginning of the work on the memorial bridge between Washington and Arlington cemetery, to be erected to the memory of the dead of both the union and confederate armies. While the bill carries only \$300,000 for the project, it is expected ultimately to cost about \$5,000,000. An amendment also was added to the measure providing for an adjustment of certain claims of the states of New York, Pennsylvania, Virginia, Delaware, California, Oregon and South Carolina. The passage of the sundry civil bill leaves only two general appropriation bills to be acted upon by the senate—the military academy and the general deficiency measures. It is expected they will be passed by Saturday night.

### SMALLPOX ON BOARD MEADE.

Reason for Otis' Delay in Landing Is Telegraphed to Washington.

WASHINGTON, June 1.—The War department received notice from General Shafter today of the arrival at San Francisco of General Otis and the existence of smallpox aboard the transport Meade, which accounts for the failure of General Otis to land promptly upon his arrival in San Francisco. General Shafter's dispatch, which is dated yesterday, is as follows:

"General Otis arrived this evening in good health. On account of several cases of smallpox on board he will not be able to land for several days. He will take first train east after landing."

General Otis will probably come direct to Washington, and will go thence to Rochester, N. Y., in season to be present at the demonstration which is being arranged in his honor by the citizens of that place for June 15. The general will be given an extended leave of absence by the War department and when he has thoroughly recuperated from the prostrating labors of his position in the Philippines he will, it is said, be assigned to the command of the Department of the Lakes, with headquarters at Chicago.

### ANOTHER ST. LOUIS TRAGEDY.

Union Man Shoots a Policeman and Is Killed by an Officer.

ST. LOUIS, June 1.—Albert Koenig, a union man, emptied the contents of a shotgun into the body of Police Officer Crane and was himself instantly killed by a bullet from the revolver of Officer Baker on Broadway, near the Southern electric power house late tonight.

From the meagre information received by Inspector Lally at the Four Courts at midnight it seems that Koenig was walking back and forth in front of the power house with a shotgun on his shoulder, declaring that he was a union man and defying the transit company and its non-union employees. Officer Crane approached him and asked him to take his shotgun home. Koenig replied in vehement terms, and when the officer grappled with him in an effort to disarm him the man brought the weapon to his shoulder and, aiming it at Crane, pulling the trigger. The officer sank to the ground unconscious.

Maher was near by and running up to Koenig demanded his surrender. Koenig made a threatening movement and Maher shot him. Crane is at the Alexian Brothers' hospital dying.

### Montana Express Office Robbed.

MILES CITY, Mont., June 1.—The Northern Pacific express office was robbed of a \$5,000 package and \$300 of the express company's money. The robbery was committed by a man named Morrow, night operator, was acting for Station Agent Bishop and the money was taken during Morrow's absence. Morrow has been operator for about three months. Two strangers who were lurking about the station are missing.

### Is Left in State Quo.

WASHINGTON, June 1.—The senate committee on privileges and elections has reached an agreement with the friends of Senator Clark of Montana to allow the senator's case to rest where it is, with the understanding that no further steps shall be taken to have either Mr. Clark's or Mr. Maginnis' credentials referred to the committee, and that no further action shall be taken on the resolution of the committee concerning Senator Clark's original election.

### Members of G. A. R. Object.

## New Binding Twine, 9<sup>7</sup>/<sub>8</sub> Lb.

The only reason that we could possibly obtain this twine was that a party needed spot cash. We had no expectation of being able to sell any twine at anything less than this price, for if you will look back at a minute, it is 1-8 OF A CENT LESS THAN OUR FARMER FRIENDS PAID TO THE PENITENTIARY PEOPLE A FEW WEEKS AGO. We always believe, when we get a bargain, in dividing it with our friends and customers, feeling that when they know that we are always willing to treat them right and give them the benefit of our own basis on which we do business, namely large sales and small profits, that they will appreciate it, and in the end we will make more by favoring them with something of this kind than we would by charging them the regular market value. Consequently we divide this price with you and will simply say that when this twine is out you can rest assured that we will try to make you as low prices as possible, but, nevertheless, we would suggest that you get your order in at once for any part that you may want of this lot. We will be able to ship by May 25th, as the twine reached us by last freight. The above telegram was received May 22. Read for agricultural implement catalogue.
