Where? At my door. At the Eagle Grocery. What in the world is it, my dear? It is at the Eagle Grocery, a mammoth stock of Groceries, and at the lowest prices you ever heard of. The Eagle has been reading the papers and keeping posted on what was being offered for sale. They don't say anything about Terbacker and Candy, and other good things like that. It is not pickle dishes you want now, it is Candy. The Eagle has 2,000 pounds of candy for sale cheap. Christmas committees are invited to call and get my prices. ### The Black Hills Banner Year.

1900 is the banner year for the summer resorts of the Black Hills.

The season at Hot Springs opened at least a month earlier than usual. The hotels were comfortably filled by the middle of June.

Based on estimates on the number of tourists which the Passenger Department of the Burlington Route is receiving, twice as many people will visit the Black Hills this summer as in any previous year.

Two factors have contributed to bring about this condition of affairs. One is that the Burlington Route will run more cheap excursions to the Black Hills this summer than has been its custom in the past.

The other factor is that the Burlington train service to the Hills has recently been greatly improved. Its fast express trains for Hot Springs and Deadwood now carry dining cars as well as the usual equipment of sleeping and free reclining chair cars.

During July the Burlington route will run ten cheap excursions to Hot Springs. The dates are: July 3 7 8 10 14 17 18 21 28.

The rate is one fare, plus \$2.00, for the round trip. Tickets bear liberal return limit and the Burlington's service to the Black Hills is unrivalled.

Call on the local ticket agent of the B. & M. R. R. and let him tell you what it will cost to make the trip.

J. FRANCIS, General Passenger Agent, Omaha, Neb.

### Excursions to the Black Hills.

June 21st, July 7, 8, 9, 10 and 12th and August 2nd.

On any of them you can buy tickets to Hot Springs, Custer (Sylvan Lake), Deadwood, Spearfish and Sheridan, Wyo., at rate of one fare plus \$2.00 for the round trip.

Tickets will be good to return until October 31st the longest return limit ever made for tickets sold at so low a rate.

Unless you have been there you have no idea of the attractions of the Black Hills resorts. At Hot Springs, for instance, you can bathe, ride, drive, bicycle and play golf all day and every day. The pure air and the wonderful healing waters will rejuvenate and strengthen you as nothing else can do.

Sylvan Lake, besides being the prettiest spot in the Black Hills, is one of the most popular. Go there if you would escape midsummer's

heat. The railroad ride to Spearfish is one of the experiences of a lifetime. Thousands make the trip every year. Spearfish Canyon, through which the railroad runs, is worthy of comparison with the finest scenery in Colorado.

Information about trains, through cars, etc., can be had at all B. & M. R. R. ticket offices.

### The Plunge Bath at Hot Springs.

Hot Springs' popularity as a summer resort is due to its plunge bath more than to anything else. There is nothing like it anywhere else in the country. Larger swimming pools there are, but none whose waters are so clear, so crystal-like, so wonderfully refreshing. All summer long it is thronged with bathers from early morning until late at night. Not everyone who visits Hot Springs patronizes the plunge, but nearly everyone makes a point of spending an hour or two there daily.

The water is of a uniform temperature of 93 degrees and you experience a little electric shock when you enter. The action of the heart is also perceptibly stimulated. These sensations are of brief duration and are quickly followed by feelings of pleasure, comfort and relaxation.

During July the Burlington Route will run ten cheap excursions to Hot Springs. The dates are: July 3 7 8 9 10 14 17 18 21 28. The rate is one fare, plus \$2.00, for the round trip. Tickets bear liberal return limit and the Burlington's service to the Black Hills is unrivalled.
