

Woman's Life....

is hard enough as it is. It is to her that we owe our world, and everything should be made as easy as possible for her at the time of childbirth. This is just what

MOTHER'S FRIEND

will do. It will make baby's coming easy and painless, and that without taking dangerous drugs into the system. It is simply to be applied to the muscles of the abdomen. It penetrates through the skin carrying strength and elasticity with it. It strengthens the whole system and prevents all of the discomforts of pregnancy.

The mother of a plumb babe in Panama, Mo., says: "I have used Mother's Friend and can praise it highly."

McKINLEY AND ROOSEVELT CLUB AT ANSLEY.

One Hundred Members at First Meeting.

A McKinley and Roosevelt league was organized at Ansley Tuesday night, with nearly 100 members. The officers elected are J. C. Porter, president; T. T. Varney, 1st vice president; John Thornton, 2d vice president; Geo. Zahn, secretary; Joe Moore, treasurer. The league decided to organize a marching club. W. S. Lawton, Oscar Carter and Dr. W. R. Young were appointed a committee to secure uniforms. Of the number enrolled, six voted for Bryan in 1896, and will support McKinley and Roosevelt this year. The officers of the club are confident that the enrollment will reach 150 by Saturday night. Ansley is one of the banner republican townships in the county, and the enthusiasm which they are putting into the campaign should be emulated by every township in the county. It would assure the redemption of Custer county this year.

A Hold Up.

Last Friday night passenger train No. 41 was held up near Woodlawn, by two men. They relieved the messenger and local safe of their valuables, and then allowed the train to proceed. It was about 12 o'clock at night, and little or no clue to the robbers was gained. It is supposed that they boarded the train at Lincoln, when they thought they were far enough from the city not to be apprehended. They made their way to the engine, and compelled the engineer to stop the train. They then compelled the messenger to open up the express car to them, by shooting into it several times, and threatening to blow it up with dynamite. A shot was fired at the conductor, Lyman, who ventured out to see why the train had been stopped. We have been unable to learn how much they obtained, but it is reported that they did not get much money, as the way safe was not molested. Ner Hartley, F. H. Young and Dick Bryan, of this vicinity, were on the train, but no attempt was made to molest the passengers. It is thought that the robbers live in Lincoln.

A Birthday Surprise.

The good neighbors of John Robinson, of Fleming Valley to the number of thirty gave him a happy surprise Monday night. It was the occasion of his sixty third birthday. They brought with them the necessary refreshments and furnished a fine supper for the entire party. The evening was pleasantly spent in music recitations and social conversation. A most enjoyable time was had by all present. As Mr. Robinson had been with the threshing machine all day he was little expecting such a crowd to greet him in the evening at his home and he was wholly taken by surprise.
