

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City. SOUTH OMAHA. Union Stock Yard-Cattle-There were hardly enough cattle on sale to make a market, but buyers bought up what was offered at not far from steady prices. Some of the best cornfed steers sold perhaps a little stronger, but the commoner kinds were only about steady. For the week the market is 15c to 25c higher, the greatest advance being on the light heavyweights, which were up 25c from \$3.00 to \$3.25 in the advance, owing to the light supply of good cattle. The cow market was somewhat uneven, but as a general thing it was just about steady. The best grades of cows or heifers sold in good shape at fully steady prices, and the medium kinds also held about the same. If there was any change at all it was on the camera, which have not been selling as well the last few days as they did early in the week. Hogs-The supply of hogs was liberal again today, but the market opened up a little stronger. Packers began bidding \$3.50 and \$4.50, the same as they did yesterday morning, and a good many hogs changed hands at those prices. The heavier hogs sold mostly at \$4.00, and the lightweights at \$3.50, and as high as \$4.85 was paid. It was a fairly active market on the start and the bulk of the hogs were sold in good season. For a time the feeling was rather weak and a few hogs sold at \$4.75, but finally packers bought the rest of them up to about \$4.80. Sheep-The market was barren as far as fresh arrivals were concerned, and there were only a few old ewes carried over from yesterday. As a result there was nothing which would make a test of the market. Packers, however, did not seem to be particularly anxious for supplies, as the mutton market is still very dull. Choice light yearlings are probably no more than a dime lower, but the general run of yearling wethers are 10c to 20c lower than they were a week ago.

Hogs-Heavy, \$4.00 to \$4.50; market opened 5c higher and closed steady, with part of gain lost; heavy, \$4.50 to \$4.75; mixed, \$4.50 to \$4.75; light, \$4.50 to \$4.75. Sheep and Lambs-Receipts, 1,300 head; improved demand for all classes at strong prices; lambs, \$3.00 to \$3.50; stockers and feeders, \$2.50 to \$3.00; ewes, \$2.50 to \$3.00.

TELLS OF KIDNAPERS' GANG.

Letter Found in Milwaukee Street Car Results in Exposure of Plot. MILWAUKEE, Dec. 22.—The sensational disappearance and return of young Edward Cudahy of Omaha is somewhat strangely coincident with the finding of a letter in a Milwaukee street car a few days ago. The letter was addressed to William Stewart, Chicago, Ill., and told of a plan to rob several residences of wealthy citizens in Milwaukee and to abduct a little girl. The letter was written with a lead pencil and was signed "Jack." The letter was turned over to the police, who looked upon it as the work of a lunatic. The day following the finding of the letter the following advertisement appeared in the Milwaukee Journal: LOST—Reward of \$5 for the return of letter addressed William Stewart, Chicago, Ill. Address letter to John Smith, Milwaukee, general delivery. The Journal also received a letter signed "Jack," in which the writer says he is the person who lost the letter in the street car and that it was he who advertised for it. He says he has been expelled from a desperate gang of robbers and kidnapers who are working in different parts of the country, and that he has determined to inform against them. Then he tells of a plan which had been arranged to rob the Schandelin Milwaukee residence, abduct the little girl and hold her for a ransom. Besides the Schandelin he says numerous other prominent people, including Mayor Rose, Captain Pabst and Charles Uehlein are marked for visits from the gang. When the letter was shown to Police Inspector Reimer he expressed the opinion that both it and the letter found in the street car were written by a lunatic or some boy who had been reading dime novels and wanted notoriety.

PRISON HOUSE FOUND.

Place Where Young Cudahy Was Held Located by the Police. OMAHA, Neb., Dec. 22.—Edward A. Cudahy, sr., has not given up the chase after the men who stole his son and held him for a ransom of \$25,000 in gold. On the other hand, Mr. Cudahy, in connection with Chief Donahue, has gone systematically to work to bring to justice the criminals. Only one important feature was developed yesterday. During the afternoon the police and Mr. Cudahy located and positively identified the house in which the boy was held during his captivity. In connection with this the police secured a very accurate description of two men who were doubtless connected with the affair. Miss Munshaw, daughter of the man who lives nearest to the place, which is on the outskirts of South Omaha, gave an excellent description of two men who came to the place some days since, seeking to rent it. They were afterward seen there. On the night of the 18th Mr. Munshaw saw two men assisting a third to alight at the house. He thought the third was intoxicated. It was undoubtedly young Cudahy, his apparent intoxication being due to the fact that he was blindfolded and his hands were tied. One of the men described by Miss Munshaw tallies with the description given of the young man who used the telephone at the Hivery stable to notify the Cudahy family that there was a letter in the front yard on the morning of the 19th.

GOVERNOR OF OREGON Uses Pe-ru-na in His Family and Grip.

The Governor of Oregon is an ardent admirer of Pe-ru-na. He keeps it continually in the house. In a recent letter to Dr. Hartman he says: Executive Department, Salem, May 9, 1893.

The Pe-ru-na Medicine Co., Columbus, Ohio: Dear Sirs:—I have had occasion to use your Pe-ru-na medicine in my family for colds, and it proved to be an excellent remedy. I have not had occasion to use it for other ailments. Yours very truly, W. M. Lord. Any man who wishes perfect health must be entirely free from catarrh. Catarrh is well-nigh universal; almost omnipresent. Pe-ru-na is the only absolute safeguard known. A cold is the beginning of catarrh. To prevent colds, to cure colds, is to cheat catarrh out of its victims. Pe-ru-na not only cures catarrh, but prevents. Every household should be supplied with this great remedy for coughs, colds and so forth. It will be noticed that the Governor says he has not had occasion to use Pe-ru-na for other ailments. The reason for this is, most other ailments begin with a cold. Using Pe-ru-na to promptly cure colds, he protects his family against other ailments. This is exactly what every other family in the United States should do. Keep Pe-ru-na in the house. Use it for coughs, colds, la grippe, and other climatic affections of winter, and there will be no other ailments in the house. Such families should provide themselves with a copy of Dr. Hartman's free book, entitled "Winter Catarrh." Address Dr. Hartman, Columbus, O.
