The second quarterly conference of Westerville circuit was held on Saturday afternoon, March 2, in the M E. church, at Westerville, by Rev. C A. Mastin. There was a large attendance. Reports showed the presiding elder and pastor paid in full, from nearly every class, and in two cases overpaid for the quarter. The work done by Brother Case and Eastman as exhorters was especially encouraging. The latter was made local preacher by a unanimous and enthusiastic vote of the conference. The presiding elder preached on Saturday evening and Sunday morning to the profit and delight of crowded congregations. The District Sunday School convention meets in the M. The revival meetings at the Methodist church have assumed rather remarkable proportions. Up to the present time, in a little more than a week of meetings, there have been over fifty convertions. Women are Like

Flowers. Healthy and strong they blossom and bloom. Sickly, they wither and die. Every woman ought to look well and feel well. It's her right and duty, but she might as well try to put out a fire with oil as to be healthy and attractive with disease corroding the organs that make her a woman. Upon their health depends her health. If there is inflammation or weakening drains or suffering at the monthly period, attend to it at once. Don't delay. You're one step nearer the grave every day you put it off. Women can stand a great deal, but they cannot live forever with disease dragging at the most delicate and vital organs in their body. You may have been deceived in so-called cures, have been deceived in so-called cures. We don't see how you could help it—there is so much worthless stuff on the market. But you won't be disappointed in Bradfield's Female Regulator. We believe it is the one medicine on earth for womanly ills. There is as much difference between it and other so-called remedies as there is between right and wrong. Bradfield's Female Regulator soothes the pain, stops the drains, promotes regularity, strengthens, purifies and cleanses. It does nil this quickly and easily and naturally. It is for women alone to decide whether they will be healthy or sick. Bralfield's Regulator lies at hand. \$1 per bottle at drug store.
