

SUMMER SCHOOL ITEMS.
 Punctuality is first class at Summer school.

Mr. A. P. Vannice is placing special stress on disjunctive marking, in reading.

Mr. E. C. Pickett drove to Callaway Saturday.

Prof. R. Thompson of Callaway called at our rooms Wednesday.

Visitors are welcome at all times. Come right in and make yourself feel quite at home.

Remember the lecture Friday evening by Rev. W. H. Doggett, given in the Episcopal church. Everybody invited.

The teachers of the Summer school have organized a Literary Society. First program Friday 2:20 p. m.

Six new students have been enrolled this week. There are more yet to enter. The names of all students are given below.

Miss Jessie Nixon who was called home by the serious sickness of her sister, is again back in school. Her sister is improving rapidly.

Scholars are coming in thick and fast from every direction, swelling our numbers and improving the looks of the school.

Elements of Agriculture is receiving its first introduction in public school work. Prof. Gunn is teaching this branch. I is doing well.

In spite of the warm weather the interest of the students has not decreased. This shows that they are here for hard work.

Miss Nickson has returned from her home near Cozad where she was called some time ago on account of the serious illness of her sister.

Miss Henne's Drawing class is doing original work. Each member of the class is required to bring in leaves or blades of grass.

The lecture last Thursday evening, by Rev. Myers was entertaining and instructive. Memory was the subject of the lecture. Music was furnished by Mr. F. Taylor and Mrs. Maer.

Misses Bellinger and Crist were visited by their sisters the latter part of last week. Miss Crist went with them to their home at Kingston returning Sunday eve.

Rev. Geo. R. Boomer gave a lecture in the Christian church Tuesday evening. The lecture was interesting and the views exhibited excellent phases of scenes in the Philippines. Excellent music was furnished by the young people of the church.

Miss Millie Warrington were called to their old home in Guthrie Center, Iowa, last Friday by the death of the mother of M. C. and Bert Warrington.

Geo. Mulvany, one of our good industrious young farmers east of town, is improving the outward appearance of his property by having it painted. Stanton Allen is doing the work.

Ben Bleecher recently purchased two quarter sections of land known as the Barber and Thurber places.

Rev. R. D. MacCarthy, formerly resident in this vicinity, and well known in Callaway died at Ogden Utah on Saturday, June 8, of a congestive chill. Rev. MacCarthy was a man of learning and literary attainments, an eloquent speaker, and was often called upon to address audiences in this and adjoining counties.

Cards are out announcing the wedding of Ailee Butler to Charles Chandler on the evening of June 26th.

Dave Vansant is putting in two new bridges between here and the cemetery. These two bridges were greatly needed.

Mrs. J. A. Armour and two children Ross and Avis, were visiting in Ansley last week with Mrs. Armour's parents.

B. J. Tierney went to York Thursday morning to attend the graduating exercises of the Ursuline convent. Mr. Tierney's niece graduates.

When A. F. Pinkley went to make an abstract for his property to turn over to T. T. Daniels, who had made a bargain for the purchasing of same, he discovered a \$20 judgment against the property. The judgment was the expenses in the mandamus proceedings against the village board, of which Mr. Pinkley is chairman.

A. F. A. M. Installation.
 Emmet Crawford Lodge No. 148 A. F. A. M. installed the following officers Monday night: Worshipful master, M. K. Hagadorn, S. W. Harvard Lomax, Jr. W., Cyrus Brenizer, Secy. A. Morgan, Treas. J. G. Haebler, Sr. Deacon G. H. Thorpe, Jr. Deacon Dr. W. E. Talbot Tyler E. F. McClure. It being the anniversary of John the Baptist one of the ancient Saints to which the order erected. A profitable time was spent in discussing the origin of the order and the relation of John the Baptist and John evangelist to the order.

Those taking part in the discussion were A. Morgan, G. H. Thorpe, Jud Kay and H. Lomax. History was quoted tracing the order back to Noah and his successors down to kings David, Solomon, Hiram and his successors down to the time of Christ, when the two Saints John were members of the Craft, to whom the order was subsequently erected, as instituted under the christian dispensation to be present. As the speakers had been assigned their subject three weeks previous, it enabled them to give their subject considerable study and the session was one highly interesting and profitable to those who were fortunate enough to be present.

A Custer County Farmer.
 Samuel Waddington, of Ortello was a business caller at this office Saturday. Mr. Waddington shipped last week five cars of cattle and hogs to Omaha of his own feeding. There were twenty cars of stock shipped at the same time from Anselmo and Merna of Custer County raising. Mr. Waddington received \$5.60 for his cattle and \$6.00 for his hogs, netting the handsome sum of \$5,580.

In speaking of Mr. Waddington's shipment, The Daily Drivers Journal-Stockman of Omaha has the following:

S. Waddington marketed four loads of cattle and one of hogs here today and like all the patrons of South Omaha, was highly pleased with results. His cattle were bought when calves, high grade Short-horns and Herefords, and had been on feed seven and one-half months. He started in on shocked corn, then followed snapped corn and they were finished on shelled corn, with millet-hay for roughness. Big gains were made, but as the cattle were not weighed into the feed lot, the exact figure could not be obtained. Today the 64 head weighed 1,292 lbs and sold at \$5.60. His hogs, 61 head of Poland Chinas, a year old averaged 310 lbs and sold to Swift at the day's high price, \$6. Mr. Waddington has resided in Custer county thirteen years and says the rainfall in his section is the heaviest he has ever known. Small grain is looking fine, but corn is rather backward.

Destructive Work of a Cloud Burst.
 Floods in the Pocahontas coal fields, West Virginia last Saturday, caused by a cloud burst, resulted in

the death of two hundred, or more people, by drowning, and damaged coal mines to the amount of \$2,000,000, and to the Norfolk & Western railroad company \$500,000.

The rain commenced falling Friday night and continued for some time in moderation. It was after midnight when the heavens seemed to open and pour forth volumes of water and a cloud burst over the town of Vivian, which with the already swollen streams, flooded the town and carried every building but one with it.

Old Settlers' Picnic.
 The Twelfth Annual Reunion of the Old Settlers of Northwest Custer county will be held in JAMES LINDLEY'S GROVE Anselmo, Wednesday, July 10, 1901.

Master Workmen and Members of Broken Bow Lodge No. 101 A. O. U. W.
 We, your committee appointed to present at this meeting a testimonial of our esteem and gratitude to our worthy brother Mr. Rinne, who is about to depart from us and sever his active participations in the of work this lodge, report as follows:
 Brother Fred Rinne has for more than eight years filled the office of Financier, efficiently and honestly and has by his persistent effort in the collection of assessments, not only materially benefited the lodge as a whole, but has kept each member in good standing, thereby keeping up an individual interest and contributed very largely to the success of our order in Broken Bow.
 During the latter part of each month for nearly nine years Fred's salutation, "Hello, do you know what date this is?" has reminded us that our beneficent assessment was due, and the thought that from this time on, we shall not have this gentle reminder, not only brings sorrow for our loss, but also apprehension for the future, as we realize how difficult it will be to fill his place.
 While we can but feel that by the removal of Brother Rinne, Broken Bow Lodge No. 101, will lose one of its best members and most efficient officers, yet we are pleased to know that wherever his lot may be cast, The Ancient Order of United Workman will still have a worthy brother, an honorable member and an able advocate.
 Therefore, we of Broken Bow Lodge No. 101 of The Ancient Order of United Workman, and each individual member thereof, take pleasure in heartily commending Brother Rinne to the members of our fraternity, found throughout the world.
 We also recommend that the recorder be instructed to make this testimonial a part of the records of this lodge, that it be published in our city papers and that a copy duly signed by the officers and given under the seal of the lodge be pre-

sent to Brother Rinne.

Holt County's Cyclone.
 Holt county, near Naper, was visited last Friday with a cyclone, which followed down the Keya Paha valley twenty miles.
 Great destruction to property and life is reported, no less than eight persons being killed and several injured. Five of the Greening family were among the number killed, and three in the Anderson family.
 Houses and timber in its course were swept before it.

Card of Thanks.
 The ladies of the Baptist church here extend to the members of the Broken Bow band their sincere thanks for playing for them Saturday evening on the occasion of their pie and ice cream sale.

WOMAN
 IS LIKE A DELICATE MUSICAL INSTRUMENT

In good condition she is sweet and lovable, and sings life's song on a joyful harp; but if she is out of order or unstrung, there is discordance and unhappiness. Just as there is one key note to all music so there is one key note to health. A woman might as well try to fly without wings as to feel well and look well while the organs that make her a woman are weak or diseased. There are thousands of women suffering silently all over the country. Mistaken modesty urges their silence. While there is nothing more admirable than a modest woman, health is of the first importance. Every other consideration should give way before it. Bradfield's Female Regulator is a medicine for women's ills. It is the safest and quickest way to cure leucorrhoea, falling of the womb, nervousness, headache, backache and general weakness. You will be astonished at the result, especially if you have been experimenting with other so-called remedies. We are not asking you to try an uncertainty. Bradfield's Regulator has made happy thousands of women. What it has done for others it can do for you. Sold in drug stores for \$1 a bottle.

A free illustrated book will be sent to all who write to THE BRADFIELD REGULATOR CO., Atlanta, Ga.

THE REPUBLICAN
 Job Printing.

It isn't the material that goes into your repaired watch that results in a perfect job, it is the know how that does the business, any bungler can buy the fine kinds of material that I use in repairing; but skill is the most valuable material that can be used in watch repairing, and the bungler can't buy it. I sell my skill for what it is worth and it will cost you less than bungling at lower prices.

 "Something New Under The Sun."
 All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE every day and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD IN THE HEAD.

CATARRH when neglected often leads to CONSUMPTION. "Snuffles" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed Catarrh Cure."
 Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. E 177, EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.
