WAITING FOR A REPORT

Waiting for the report from you regarding that which you report. You've thought about it and talked about it. "Business work" will no longer do in this day of catered-for and Americanized. The man who has never carried a report has no more to say. I know what you mean. You get my experience and best judgment, worth something but costs nothing.

A lively interest is manifest in the Broken Bow Business and Normal College; a large number of students having subscribed for scholarships during the past week.

J. A. Evans, of Spring Creek, was a friendly caller at this office Monday. He reports the crops looking fairly well in his locality. He informs us that the Evans Bros. have recently added three more quarters of land to their possessions. The last quarter bought, they had to pay \$1500 for. They now have 2000 acres.

Mrs. Kate Mills, nee Dooley, who has been at Spokane, Washington, for several months is reported to have passed through the city Monday evening with her family, on her way back to Illinois, where they expect to remain permanently. The west seems to have been flooded this year, with people from the east, and not enough work to supply the crowds of people who have gone to the western states. Those who have friends east, who will furnish them money to return are going back.

This is the day we celebrate.

Mrs. Ed McComas went to Omaha Monday night returning Tuesday night.

All the country east of Grand Island was visited Monday night by a heavy rain.

The double headed calf that Mr. Nelson, of Lodi, advertised to exhibit here last Saturday, died on the road before he reached here. We understand he will have it mounted and will have it on exhibition later.

We received a card from Dr. T. W. Bass, from San Diego, Cal., requesting his paper discontinued, stating that he was coming back to Nebraska. From this we infer the Dr's second impression of California was not as golden as on his first visit.

Ortello is soon to have a new church edifice. What better evidence of the present prosperity and future prospects of the people of Ortello Valley could be presented? The enterprise is strictly in keeping with the progressive spirit of the Ortello farmer.

C. N. Watson has his restaurant now in running order. He is located in the building formerly occupied by Stack Bros., first door north of Haerberle's drug store. He has his rooms nicely finished and they are in elegant shape for the accommodation of the public. We bespeak for him a liberal share of the public patronage.

South Omaha Street Fair.

The South Omaha Street Carnival opened July 2 and will continue until and including July 13. Monday, July 8, has been designated as Grand Island, Hastings, Broken Bow and Custer County Day. The exhibition is purely a South Omaha enterprise and is deserving of the liberal patronage of Custer county people for the reason that the stock dealers and citizens of South Omaha have always exhibited very friendly feeling toward the people of Custer county. Beside, making frequent and highly complimentary notices of our citizens, they were very liberal contributors in a material way in 1895, when our people were rendered destitute by the prevailing conditions over which we had control. It is a very busy time with our people, but notwithstanding this fact, we

hope Broken Bow and Custer county will find our town and county well represented at the street fair on that day as an evidence of our appreciation of the kindness shown us.

DIED.

BASS—Saturday, June 23, 1901, Mrs. Lamira A. Bass, nee Holcomb at Grand Island, age 58 years, 1 month and 23 days.

The deceased was born in Gibson county, Indiana, Feb. 3, 1843, near Princeton.

She was married to Alexander Bass on the 6th of November, 1863. She moved with her husband and family to Hamilton county, Neb., in the fall of 1883, and from there to Custer county in February, 1890, and to Grand Island in 1897.

There were born to them ten children, two of whom died when small. Eight children, her husband and aged mother, Mrs. Vickers, and one brother, Jas. H. Holcomb, survive her.

She made a profession of religion in 1888, and joined the Primitive Baptist church June 25, 1890.

During her residence in this city the deceased made many admiring friends and won the esteem of all who knew her.

Her remains were shipped here for burial Wednesday night. The funeral services were conducted in the Baptist church at 11 a. m. Wednesday, by Rev. S. W. Richards, pastor of the Baptist church. All her children but two were present at the funeral. Dr. T. W. and Gifford were unable to reach here, the former being in San Diego, Cal., while the latter was somewhere in Missouri and could not be reached by telegraph. The children present at the funeral were: Elmer, Roe, Rose, Adrian and Lillie. The funeral was largely attended by her former friends and neighbors of the Holcomb settlement.

The Republicans join with the many friends of the family in extending sympathy to the relatives in their great bereavement.

TO

MY PATRONS

The ST. PAUL FIRE AND MARINE INSURANCE CO., has been engaged in the Hail business for the past seventeen years. Within that time it has paid for losses by Hail over three-fourths of a million dollars. This large sum of money has been paid to the satisfaction of the claimants.

The Hail policy issued is the fairest and most equitable ever issued by any insurance company. It carefully protects the interest of the insured and provides a just method for arriving at the amount of the loss in case the crop should be injured by Hail.

This is the only Stock Fire Insurance Company in the United States engaged in the Hail business. It has ample assets to cover all liabilities, and it pays its losses promptly and honestly.

Don't be humbugged by irresponsible companies and agents.

I solicit your business for 1901.
